Re: Permit No. 63-12046

Dear Mr. Boston:

I have received your letter of June 28, 2004 requesting a change to the permit referenced above. Prior to making any change, the Department will conduct a licensing exam to verify the use of water and to ensure that an amendment will not be required prior to licensing. After a licensing exam is completed, the Department will consider your request to change the condition describing the use of water.

Please call if you have questions or additional needs related to this issue.

Sincerely,

for Jeff Peppersack, Manger
