CONDITIONS OF APPROVAL

1. Use of water under this right shall be non-consumptive.
2. Upon further finding and order of the director that gauging stations are required to maintain the approved minimum flows under this right, such measuring devices shall be permanently installed and maintained as specified by the director.
3. The Idaho Water Resource Board, upon receiving a request, or upon its own initiative, may petition the Director for an amendment to this water right. The petition must set forth any significant change in circumstances and evidence of the public interest supporting the proposed amendment. The Director will notify the general public and specific persons or notify interested parties of the proposed change, and conduct a hearing for the purpose of determining whether the water right should be amended in the public interest. The burden of proof at the hearing shall be upon the person or parties seeking the amendment to establish that the amendment of this water right would be in the public interest.

MICROFILMED

MAR 16 2004

State of Idaho
Department of Water Resources
Water Right License

WATER RIGHT NO. 25-07597

4. Use of water under this right shall recognize and allow the continued beneficial diversion of water under any prior existing water right established by diversion and application to beneficial use or by an application, permit, or license on file or issued by the director under the provisions of Chapter 2, Title 42, Idaho Code, with a priority of water right date earlier than the date of priority of this right.
5. This minimum instream flow begins in SENW, Section 33, T01N, R40E and ends at the back waters of Ririe Reservoir located in NWSE, Section 27, T02N, R40E.
6. The minimum instream flow use is for the preservation of fish and wildlife habitat, and to maintain streambank integrity.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed and sealed this 5th day of March, 2004.

for KARL J. DREHER
Director
