Dear William Phillips & Sons:

I have enclosed a copy of your EQIP contract for your files. Please feel free to use this folder to file any correspondence on this contract.

I have also included a "**Documentation of Water Rights**" for you to fill out and return in the enclosed envelope. There are two sections to this document. The first is if you have an individual water right from a well, stream, wastewater, etc. The second is if you have irrigation district/company shares. Please send this back to me as soon as possible.

Please contact me if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Dean Smith".

Dean Smith, District Conservationist
