**RE: TERMINATION OF LEASE TO THE WATER SUPPLY BANK – WATER
RIGHT NO(S). 63-7156B, 63-7156D, 63-31535, 63-31799, AND 63-31800**

Dear Lessors:

Idaho Department of Water Resources ("department") records show that a portion of water right no. 63-7156B was leased to the Water Supply Bank (bank) on March 22, 2002. The leased portion is appurtenant to forty acres in the NWSE of section 11, Township 2N, Range 3W, a diversion rate of 0.4 cfs, and a diversion volume of 180 acre-foot per year. Transfer no. 68832 split the above referenced right into numbers 63-7156D, 63-31535, 63-31799, and 63-31800. This letter is notice that the water leased to the bank under base right 63-7156B will be released from the bank on **December 31, 2004** in accordance with the lease application.

A new application should be filed with the department if you wish to lease all or a portion of the new rights to the bank. Please consider that the five (5) year period of nonuse related to forfeiture of a water right shall begin to accrue upon release of the right from the bank or shall continue to accrue if a period of nonuse occurred prior to the lease date of the right to the bank.

If you have questions, feel free to contact me directly at (208) 327-7898.

Sincerely,

Cynthia Bridge Clark
Water Allocation Bureau
