

February 16, 1999

Norman C. Young
Administrator
Water Management Division

Dear Mr. Young,

We met with the county commissioners on Monday February 14, 2000, and no decisions were made. A decision is supposed to be forthcoming, however, another meeting is scheduled for March 27. I will keep you posted, but in the meantime we definitely need another extension.

Thank you very much,

Susan E. Gunning
