Subject: Update on Gunning show cause

Since the show cause order issued 12/6 our office has received a letter from Pat Brown dated 12/16 indicating he does not represent the Gunnings at this point in time(I faxed a copy to you 12/22). In the letter he requests more time to respond. He also indicates FF Gunning to be in Arizona. On 12/27 I received a phone call from Susie Gunning (Gail's widow) She indicated Gail's estate was not yet settled but she represents the Gail Gunning interest. I faxed her a copy of the order and a change in address form. She faxed back the change in address indicating her address in Boise. I instructed Trish to change the water right records to reflect Susie's address as well as FF Gunning.

Do we need to respond to Brown's letter by granting more time or do we wait to get such a request from FF or Susie?
