Re: Lease of Water Right to the State Water Supply Bank

<u>Water Right</u>	<u>SRBA Claim</u>	<u>Rate</u>	<u>Volume</u>	<u>Acres</u>
2-2209 (part)	2-10209	0.22 cfs	36.8 af	11.0 ac

The applicant, Mark Mc Donough, has offered the right for lease to the bank. Right 2-2209 (part) has been claimed in the SRBA as 2-10209. An Ownership Change form and supporting documents have been filed and forwarded to AJ staff. Recent transfer approval confirms that the place of use under the right does not include other rights. Water right 2-2209 has been in the bank since 1991 and this application confirms the intention to update the lease to the bank for this portion of the right. The right should be accepted into the bank as proposed.
