3. ADDITIONAL INFORMATION ABOUT RIGHT, OR PORTION THEREOF, FOR SALE OR LEASE

a. Explain how the seller/lessor acquired the right, or portion thereof, and attach a copy of the deed to the land to which it is appurtenant or other evidence of ownership of the right. If the right is not recorded in the name of the seller/lessor, attach a copy of a change of ownership form as required by Section 42-248 or 42-1409(6), Idaho Code, together with required documentation.

Acquired through Transfer no. 69980, approved on July 8, 2003. Attached purchase and sale agreement details the transfer to Mark McDonough.

b. Describe the frequency of water use under the right, or portion thereof, during the past five (5) years of use. Attach watermaster records, pumping power bills, or other evidence to demonstrate that the right has not been lost through abandonment or forfeiture. (This information is not required if a partial decree has been issued on the right within the last 5 years).

This water right number was created for Transfer no. 69980. The parent water right validity and status is described in detail in the attached purchase and sale agreement. The parent water rights have been in the water supply bank as described in the attached 1991 Resolution.

- c. If the right is from a surface water source, describe the period of the year that water is typically available to satisfy the right.
The point of diversion for this water right is on the mainstem of the Snake River and has not been called since initiation.
- d. Describe any other water rights with the same purpose and place of use as the right, or portion thereof, offered for lease. Will the present place of use continue to receive water from any source? If so, describe.
02-2431 and 02-2240. This land will not be irrigated.
- e. If the water right is a permit, describe the work accomplished toward developing the right.
- f. If the right to the use of the water or the use of the diversion works or irrigation system is represented by shares of stock in a company or corporation, or if such works or system is owned or managed by an irrigation district, a written consent of the sale or lease must be attached.

4. REMARKS:

5. SALE/LEASE AGREEMENT

1. The water right, or portion thereof, described above is offered to the Idaho Water Resource Board:

_____ For sale;

XX For lease for period from 1/1/2004 to Indefinite
(Day, month, year) (Day, month, year)

(This lease period may be shown as "indefinite", if the total duration of lease is unknown); or

_____ As a gift to the State of Idaho.

2. Show the minimum payment acceptable to the Seller/Lessor. Include the method of determining the minimum payment. The minimum payment may be shown as the "current rental rate".

Current rental rate

I hereby assert that the information contained in this application is true to the best of my knowledge, and that I have the authorities necessary to offer this right for sale or lease to the Idaho Water Resource Board.

The owner/lessor acknowledges the following:

1. Payment to the owner/lessor is contingent upon the sale or rental of the right from the bank.
2. While a right is in the bank, the owner of the right may not use the right even if the right is not rented.
3. A right accepted into the bank stays in the bank until the Board releases it or until the lease term expires.
4. While a water right is in the bank, forfeiture provisions are stayed.
5. Acceptance of a right into the bank does not, in itself, confirm the validity of the right or any elements of the water right.
