RE: Change in Ownership for Water Right 63-11475

Dear City Officials:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

 X **Evidence of Water Right Ownership:** copy of **Tax Notice**, Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question

During our review of the documentation you submitted we found some discrepancies between that documentation and the legal description of the place of use for the water rights indicated in your notice.

Two tax notices were provided in your submission to show evidence of ownership. However, one of the notices is for a parcel of land that is not associated with the water right in question. The parcel number for this land is R30406011. In order to split the water right we need to receive complete evidence of your ownership of the land the water right is on. This can be shown with the tax notice for parcel number **R15129501**. We will continue with the ownership change split as soon as the correct tax notice is received. For your reference, we have enclosed a copy of the tax notice for the land that is not associated with the water right.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending its receipt. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have any questions regarding this matter, please call Kari Lynn Townsend at 208-327-7941.

Sincerely,

E. Justin Aldridge
