Re: Herrick Ranches, Inc.-Change of Point of Diversion

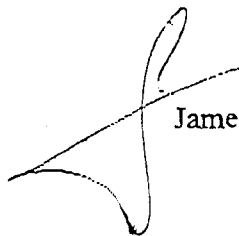

Dear Fred:

We are faxing the application for changing point of diversion. I believe these are consistent with the earlier filings, changing the diversion point to the new well only.

You will have everything except for the map, which has already been forwarded to Mr. Stanton at the Department of Water Resources. Please remind him that he has a copy of the map in the initial mailing (page 4 of 18).

If you have any questions, give me a call.

Very truly yours,

James R. Bennetts
