Subject: Application for Transfer – Arbor Ridge LLC

Dear Steve:

On behalf of Arbor Ridge LLC, I am pleased to submit the enclosed Application for Transfer of Water Right. A check for the \$100 application fee is enclosed. The application has been signed by Greg Johnson, Manager of Arbor Ridge LLC.

The application for transfer proposes changing the point of diversion and place of use for a 2-acre portion of water right license number 63-9972. The new place of use will consist of common area irrigation for Arrowrock Ranch Subdivision located at the intersection of Cloverdale and Kuna-Mora Roads.

Also enclosed is a copy of the water right purchase agreement between Renata Ham and Arbor Ridge. The agreement provides for Arbor Ridge to purchase a 2-acre portion of water right 63-9972. The purchase will be finalized following approval of the transfer application. Use of water under water right 63-9972 and ownership of the water right is documented by the enclosed Affidavit of Renata Ham.

Ownership of the Arrowrock Ranch Subdivision property is documented by the enclosed warranty deed and title insurance policy.

Please contact me with any questions.

Sincerely,

Terry M. Scanlan, P.E.
