Re: Ed & Dan Van Grouw Water Right Transfer

Dear Mr. Nelson:

The Ed Van Grouw Dairy, 19855 S Cloverdale, Kuna, and the Dan Van Grouw Dairy, 5655 Blackcat, Meridian, are licensed by the Idaho State Department of Agriculture to sell milk for human consumption. To quantify for this licensure, these facilities must meet and comply with the livestock waste containment standards, Nutrient Management Plan requirements and all sanitation and milk quality standards. These facilities are meeting ISDA requirements.

Please contact this office if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Marv Patten".

Bureau of Dairying
