Re: Notice of Change in Water Right Ownership—Water Right Nos. 63-22824,
63-22825, 63-22826, 63-22827, 63-00383 & 63-30271
Our File No. 6365-10

To Whom It May Concern:

Enclosed please find a Notice of Change of Ownership for the above-referenced water rights. These water rights each have been claimed in the SRBA, and therefore are exempt from Change Notice filing fees. Please note that I have included a copy of the Notice to be stamped as received by your office and returned to me in the enclosed self-addressed, stamped envelope.

A previous change of ownership notice together with required documentation for these rights/claims was filed with the Department on November 15, 1995, confirming ownership of the water rights by Hidden Springs Community, LLC. On March 15, 2002, Hidden Springs Community, LLC conveyed by Grant Deed (copy attached) all of the underlying real property together with appurtenant water rights to Developers of Hidden Springs, Inc..

Other than the owner's name change, nothing that I am aware of has occurred since the previous Notice of Change of Ownership was filed in 1995 that would affect the water rights or the claims (i.e., no splits, transfers, assignments, etc.). Also, Givens Pursley LLP (note ensuing name change from Givens Pursley & Huntley) continues to represent the owner/claimant with respect to these water rights and pending SRBA claims. I would appreciate it if you will ensure that all correspondence, notices, recommendations, or pleadings affecting these water rights are directed to my attention.
