Dear Mr. & Mrs. Forsman:

One of the conditions of approval of your water Permit No. 79-7033 (see last page of your approved permit) was that evidence of the extent of development be submitted as proof of application of water to beneficial use to this office on or before September 1, 1974. Enclosed is an affidavit form which must be used to submit the required proof of beneficial use.

If you have not fully completed your project, and you have not previously received an extension of time, you may request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, Idaho Code, amended. If you have been prevented from proceeding by a governmental agency or by litigation, more than one extension of time can be granted.

Either the beneficial use affidavit or a request for an extension of time must be received by this Department on or before the above mentioned date, otherwise the permit will lapse and be of no further force or effect.

Dear Sirs:

Due to the fact that it don't
look like the electricity is going
to be put in on our part of the
mountain we will not file for
irrigation waters now - just
for stock water on our spring -
so cross out the irrigation on
the first application and we will
have to wait for the electricity to
be installed -

Sincerely

Mr Carlos Jorsman

Dear Mr. Forsman:

We are returning your application for permit to appropriate water from an Unnamed Spring. Please note that we have taken the liberty of re-typing your application, adding information to several items.

Under Item 4, we have added stockwater as a beneficial use. Also under this item, you have listed the amount to be used for irrigation as 2 acre feet per annum. We will need to know the proposed amount of water, listed in either gallons per minute or cubic feet per second.

We do not know the capabilities of your Spring; however, under Idaho Code, the maximum we can allow for 25 acres is 0.5 cubic feet per second, which is equivalent to 250 gallons per minute. Please complete this item and return the application to our office.

Please make sure you have signed the application at the bottom of Page 3 before returning it, and the enclosed fee schedule will assist you in determining the correct filing fee to submit.

Please contact us if you have any questions.

Very truly yours,

Fred Eisenbarth
Northern District Manager
