Re: Permit No. 79-7023

Adam G. Kyrns
White Bird,
Idaho 83554

Dear Mr. Kyrns:

One of the conditions of approval of your water Permit No. 79-7023 (see last page of your approved permit) was that evidence of the extent of development be submitted as proof of application of water to beneficial use to this office on or before June 1, 1978. Enclosed is an affidavit form which must be used to submit the required proof of beneficial use.

If you have not fully completed your project, and you have not previously received an extension of time, you may request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, Idaho Code, amended. If you have been prevented from proceeding by a governmental agency or by litigation, more than one extension of time can be granted.

Either the beneficial use affidavit or a request for an extension of time must be received by this Department on or before the above mentioned date, otherwise the permit will lapse and be of no further force or effect.

Re: Claim to a Water Right

Mr. Adam G. Kryns
White Bird, Idaho 83554

Dear Mr. Krynes:

We have your letter dated May 8, 1973, and the Claim to a Water Right. From the letter, it appears that since this is a new use of water you should file an application for permit rather than the claim.

We have typed up an application form from the claim form, but need some points clarified.

The point of diversion is given as NW $\frac{1}{4}$ SE $\frac{1}{4}$ and the place of use is given as SE $\frac{1}{4}$ NW $\frac{1}{4}$ which corresponds to the map. I feel the map and place of use are correct.

You show need of 30 g.p.m. for irrigation of 1 acre of land. The law would only allow us to issue the permit for 0.02 c.f.s. or 9 g.p.m.

On line 7b., please show the estimated cost of construction. Line 9a., b., & c. also needs to be answered.

Please sign the application on page three and return it to us with a \$10.00 filing fee.

We are returning your Claim to a Water Right and check no. 92-314 in the amount of \$10.00.

Sincerely,

ROBERT W. HAMILTON
