NOTICE OF OBJECTIONS TO APPLICATION FOR PERMIT TO APPROPRIATE THE
PUBLIC WATERS OF THE STATE OF IDAHO BY THE GRANGEVILLE COUNTRY CLUB.

and or Water Resources
The undersigned Objectors do notify the State Of Idaho Department of Reclamation that they do object to the Grangeville Country Club appropriating water from John's Creek in accordance with application filed with the State of Idaho Department of Reclamation as published in the Idaho County Free Press on 4-27 & 5-4-83.

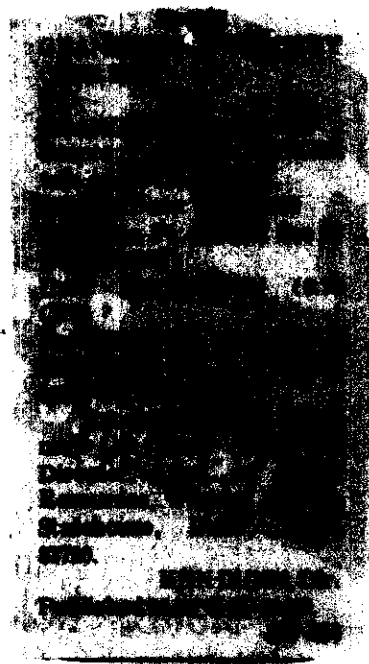

That in accordance with the terms of said application, the Grangeville Country Club does attempt to appropriate .76 cubic feet per second of the waters of said John's Creek which runs into Rock Creek and thence into the Salmon River in Idaho County, State of Idaho.

That the undersigned Objectors do make this objection for the reason that they have appropriated the waters of John's Creek for beneficial use and have proved their water rights with the Department of Reclamation or have a constitutional priority by user of the said waters of said creek.

That the appropriation by the Grangeville Country Club will interfere with the prior appropriation and prior rights of the undersigned parties. That the undersigned parties do resist the appropriation which will interfere with or limit the appropriation made by any of them at a prior time hereto, either by water permit from the State of Idaho or by constitutional appropriation obtained through user.
