Dear Mr. Gehring:

I am sorry to trouble you, but in the final processing of your claim, it was discovered that the 40 acre tract that your houses are located in was left off the claim.

A new amended claim listing your additional place of use is enclosed. All that is needed is your signature on the back and to have it notarized. No additional fees are required.

Again, I hope this has not caused you any inconvenience, but now is the time to make the corrections, not several years down the road.

Sincerely,
