Attention: Mr. Curtis Taylor

O
Dear Mr. Taylor:

P
Y
Pursuant to our telephone conversation of September 15, 1969, we are enclosing information which we have discussed to this point.

The permit in question was applied for by the U. S. Bureau of Land Management, P. O. Box 428, Coeur d'Alene, Idaho. At the time of the application, fees were paid and receipts issued. On December 18, 1968, the Department sent a letter to your Coeur d'Alene office informing them that we were prepared to issue a license and requesting the licensing fee of \$7. On December 20, 1968, your Coeur d'Alene office issued purchase order no. 11-060-0046 and forwarded it to the Department's attention, which we signed and returned. On September 9, 1969, the Department of Reclamation sent a follow-up letter to the Coeur d'Alene office inquiring as to why the final fee had not been paid. On September 15, 1969, we received a letter from the Coeur d'Alene office dated September 11, 1969, indicating that they could not pay the fees.

The problem appears to be that until such time as we issue the license, the Coeur d'Alene office cannot pay for the service rendered, and we are prohibited by law from issuing the license before fees are paid. Previously, in the case of other permits, we have received fees from the Bureau of Land Management prior to issuing the license.

Dear Mr. McEldowney:

We have received your letter of September 9, 1969 concerning our purchase order no. 11-060-0046 for permit no. G-32862/79-2092.

Our purchasing procedures require that upon issue of a purchase order the required sum of money is obligated by the U. S. Government and the Denver Service Center is notified by obligation of that sum.

Upon receipt of the goods or services a receiving copy of the purchase order is sent to the Denver Service Center and a check for the appropriate amount is sent to the vendor or agency providing the goods or services.

In accordance with those procedures, required by U. S. Government purchasing regulations, we will send the receiving report to Denver on receipt of permit no. G-32862/79-2092 and they in turn will have a U. S. Government Treasury check in the appropriate amount (\$7.00) sent to you.

We would appreciate early receipt of the cited permit so that payment of the fee can be made.

Gentlemen:

We acknowledge receipt of the depositions and affidavit of publication in the
Idaho County Free Press submitted as proof of com-
pletion of works and beneficial use on Permit G-32862.

Before a certificate and license of water right can be issued, a field
examination must be made by a representative from this department. We
cannot tell just when this examination will be made, but our field examiner
will try to contact you at the time he makes the examination so that you
may show him the system.

Coeur d'Alene, Idaho

Gentlemen:

The date for proofs of Completion of Works and Application of water to beneficial use, as set out under terms of Permit No. G-32862 are due not later than May 9, 1967

Before these proofs can be made, the statutory requirement is that a notice of your intention of proof be published once a week for four consecutive weeks in a newspaper within the county in which the land is located. In completing the Notice of proof for publication, the information should be taken from your Permit, including any amendments made in connection with a change of point of diversion or land list, which has been recorded in this department. If changes have been made and no amendments are on record, we advise you request a form for this purpose before your Notice is published.

We enclose Form 36, in duplicate, which is to be filled out and returned to this department at least FORTY (40) DAYS BEFORE THE MENTIONED DATE, (allowing for four weeks publication). Please give the name of the town, the address of the place where the depositions will be executed, and, the name of the notary public before whom you will appear to make the depositions of proof (this may be at any place convenient for you and your two witnesses), the quantity of water filed; for what purpose it is used; the point, or points, of diversion; and the location of use or the lands which are irrigated - - all by legal land description.

Enclosed also is Form 11, which is the authorization for us to have the notice published in the designated county newspaper at your expense. This is to be returned with two Forms 36.

At the time we send the notice to the newspaper we will send to you the forms for the depositions of holder and two disinterested witnesses. It is important that the depositions be executed at the time, on the date set, at the place named, and before the notary public, as advertised in the publication notice.

Very truly yours,

STATE RECLAMATION ENGINEER
