Dear Sir,

I sent my report card some time ago when I first obtained a pump in June of '85. I water part of the yard and a small garden - once a week in summer months. At present this is a vacant lot but I water & mow & keep it maintained. I do not understand all of this and hope this will clear up the matter. I do not want to loose my water permit. I do not know what happened, but I did mail the card provided me.

The change of address was done by Postal Service. I still live in same house as previous address but have new address. Hope this will clear the matter - Sincerely

Ruth M. Kangas
