CERTIFICATE AS TO OWNERSHIP OF INTERESTS IN
TWIN LAKES STORAGE RESERVOIR, INC.
ADAMS COUNTY, IDAHO

The persons signatory hereto, namely HAZEL BRANSTETTER, WARREN OSBORN, LOYAL E. CAMPBELL, R. L. CAMPBELL and CIRCLE C RANCH, an Idaho Corporation, do hereby CERTIFY and DECLARE as follows:

As will appear from official public records of the Department of Reclamation of Idaho, on October 15, 1919, one Charles A. Campbell of New Meadows, Idaho made application to the Department of Reclamation of Idaho for Permit to appropriate 1.32 second feet of Goose Creek flood waters, by means of storage reservoirs to be constructed at Twin Lakes, which are tributary to Goose Lake and Goose Creek, in Adams County, Idaho, and on that same day he also made application to said Department for Permit to construct Twin Lakes Reservoir for planned live storage of 330 acre feet of Goose Creek flood waters, and on October 31, 1919 each of said applications was approved and said Department issued to Charles A. Campbell, its Permit No. 14353 (Book 51, page 14,353) for the appropriation of 1.32 second feet of Goose Creek flood water, and its Permit No. R173 (Book 1, page 173) for the construction of said Twin Lakes Reservoir and the right to impound and store therein 330 acre feet of water, to be beneficially used for irrigation of lands in Meadows Valley, in Adams County, Idaho.

On January 30, 1920, the said Charles A. Campbell, by instruments in writing, duly assigned said water appropriation Permit No. 14353 and said Reservoir Permit No. R173 to Goose Lake Reservoir Company, an Idaho corporation, which corporation, continued to be owner and holder of said Permits until 1958, when appropriation of said Goose Creek water and for storage thereof in Twin Lakes Reservoir was transferred and assigned to the persons signatory to this Certificate.

In and during the year of 1920, Goose Lake Reservoir Company caused to be constructed at Twin Lakes dams, control and outlet works by which there was annually impounded and stored 330, or more, acre feet of flood waters of Goose Creek, which stored water was annually released and beneficially used for irrigation of shareholder's lands in Meadows Valley, in Adams County, Idaho and such storage and beneficial use was continued each and every year down to 1957 and thereby the right to appro-

1 private and store such water was acquired by Goose Lake Reservoir
2 Company under priority date of October 15, 1919.

3 About the year 1957, Twin Lakes Reservoir was condemned by
4 the Department of Reclamation of Idaho, and/or by the Payette
5 National Forest, upon the ground that said dams, control and
6 diversion works were no longer safe or adequate.

7 In 1958, Goose Lake Reservoir Company transferred and set
8 over unto the parties signatory to this Certificate the said
9 water right, reservoir permit, before des-
10 cribed or referred to, together with all its right, title and
11 interest therein thereto, and all of its right, in and to the
12 water appropriated and stored pursuant to said permits and the
13 parties signatory hereto are now owners and holders of the same.

14 That in the years 1957-1958, the undersigned parties
15 signatory hereto voluntarily associated themselves together as a
16 group for the purpose of co-operating with the Agricultural Stab-
17 ilization and Conservation Service in a project for the recon-
18 struction of or repairs to the Twin Lakes Reservoir, and the
19 control and works appurtenant thereto, and such project was
20 approved and in and during the year 1958, the undersigned, in co-
21 operation with the said Agricultural Stabilization and Conservat-
22 ion Service did repair and enlarge the storage dams and replaced
23 all control and outlet works in manner approved by the Department
24 of Reclamation of Idaho and the Payette National Forest and so
25 that said reservoirs could safely impound and annually store
26 seven hundred (700) acre feet, but either more or less, of flood
27 water, and in each and every year, commencing with 1959 and con-
28 tinuing to date hereof said reservoir has been used by the under-
29 signed to impound and store flood water, beneficially used by
30 the undersigned in the irrigation of lands in Meadows Valley,
31 owned by the undersigned, and thereby, and by such actual appro-
32 priation, storage and beneficial use, the parties signatory
hereto, acquired and now own the right to divert, store and
beneficially use for irrigation of their respective lands,
additional flood waters of Goose Creek and its tributaries in the
annual amount of 370 acre feet, under priority of 1958, or in all
700 acre feet, but either more or less, as actually stored in
Twin Lakes Reservoir.

That for the purpose of repairing and enlarging the Twin
Lakes Dams, installing new control and outlet works, and for
clearing the reservoir site of timber, brush and debris, the
undersigned parties signatory hereto, respectively contributed to

1 priate and store such water was acquired by Goose Lake Reservoir
2 Company under priority date of October 15, 1919.

3 About the year 1957, Twin Lakes Reservoir was condemned by
4 the Department of Reclamation of Idaho, and/or by the Payette
5 National Forest, upon the ground that said dams, control and
6 diversion works were no longer safe or adequate.

7 In 1958, Goose Lake Reservoir Company transferred and set
8 over unto the undersigned parties by this Certificate the said
9 water right, together with all its right, title and
10 interest therein or thereto, and all of its right, in and to the
11 water appropriated and stored pursuant to said permits and the
12 parties signatory hereto are now owners and holders of the same.

13 That in the years 1957-1958, the undersigned parties
14 signatory hereto, voluntarily associated themselves together as a
15 group for the purpose of co-operating with the Agricultural Stab-
16 ilization and Conservation Service in a project for the recon-
17 struction of or repairs to the Twin Lakes Reservoir, and the
18 control and works appurtenant thereto, and such project was
19 approved and in and during the year 1958, the undersigned, in co-
20 operation with the said Agricultural Stabilization and Conservat-
21 ion Service did repair and enlarge the storage dams and replaced
22 all control and outlet works in manner approved by the Department
23 of Reclamation of Idaho and the Payette National Forest and so
24 that said reservoirs could safely impound and annually store
25 seven hundred (700) acre feet, but either more or less, of flood
26 water, and in each and every year, commencing with 1959 and con-
27 tinuing to date hereof said reservoir has been used by the under-
28 signed to impound and store flood water, beneficially used by
29 the undersigned in the irrigation of lands in Meadows Valley,
30 owned by the undersigned, and thereby, and by such actual appro-
31 priation, storage and beneficial use, the parties signatory
32 hereto, acquired and now own the right to divert, store and
beneficially use for irrigation of their respective lands,
additional flood waters of Goose Creek and its tributaries in the
annual amount of 370 acre feet, under priority of 1958, or in all
700 acre feet, but either more or less, as actually stored in
Twin Lakes Reservoir.

That for the purpose of repairing and enlarging the Twin
Lakes Dams, installing new control and outlet works, and for
clearing the reservoir site of timber, brush and debris, the
undersigned parties signatory hereto, respectively contributed to

the cost of such work by way of cash, or work, labor and services as follows:

Hazel Branstetter	\$1,400.00
Warren Osborn	1,400.00
Loyal E. Campbell	1,400.00
R. L. Campbell	700.00

Total contributions \$7,000.00

and became the owners of, and they now respectively, of interests in and to said Twin Lakes Reservoirs and of the right and permit to impound and store flood waters therein for beneficial use upon their respective lands, which respective interests evidence ownership by the undersigned of respective amounts of acre feet of storage water, but either more or less, and in proportion to the total, live storage capacity of said reservoirs as follows:

Owner	Interest	Proportionate number of acre feet:
HAZEL BRANSTETTER	One-fifth (1/5)	140
