RE: Verification of Location & Use Department of Water Resources

The spring involved with this claim is in dispute regarding App. for permit 78-07390. PRE-hearing conference I conducted on 9/8/98 in Riggins suggests that on-site verification of location & use is needed.

Suggest delaying IPRA R-file prep until do migration claim A78-04092, associated with this situation. A/so

A78-04093 = Spickelmire, protestant to 78-07390.
78-07390 = Gill, believes spring is on her property.
