Dear Mr. Morris:

This office acknowledges receipt of your correspondence concerning the above referenced claim to a water right. The following is a portion of Section 42-225b, Idaho Code related to the filing of a claim to a water right:

"At anytime after the filing of a claim, any person who disagrees that a right has been established as set forth in said claim may file an exception thereto in duplicate, in affidavit form, accompanied by such proof as said person deems appropriate. An exception filed shall be made a part of the file of the claim in the Department of Water Resources and shall be considered the same as other evidence in said file. A copy of an exception filed shall be forwarded to the claimant by the Department of Water Resources."

Only the above action has been contemplated by the Idaho Legislature. Consequently, this Department is not authorized to hold hearings or evaluate for conformation or final censorship of the described claim.

If we can be of further assistance, please contact us.

Sincerely,

Dear Mr. & Mrs. Campbell:

The Department of Water Resources has completed the advertising of your claim to a water right, and no further action is authorized under Section 42-225a and 42-225b, Idaho Code. Your claim will be retained in our files and will be available at any time for use by you or the court.

The filing and advertising of the claim does not confirm the water right claimed, but will serve to record and preserve the information and the evidence which you included in your claim.

If, at a later date, you find that you have additional information or supporting evidence that you would like to have included with the claim, you may have that information or evidence added at any time. Please refer to the claim identification number when corresponding with this office.

We are enclosing a copy of your claim for your records. If you have questions, or if this office may be of further assistance, please feel free to contact us.
