Attention Mr. Tom D. King

Dear Mr. King:

I return herewith filed form 243 for our water rights on the .84 acre parcel on Crooked Creek in Idaho County just outside Dixie.

We spent several hours in the Courthouse in Grangeville ending up in the Assessor's Office. The problem with our property is that it is in two sections, Section 15 and Section 22. We were unaware of this until the people in the Assessor's Office checked it with Metsker's Pg. 108 of Twp 26, together with their tax record map of Crooked Creek Placer, Mineral Survey 1416, which is a patented property since T. Roosevelt.

With the good assistance of the Assessor's personnel, we have noted both sections on the map provided on the form. If you note Metsker's, or your maps reflecting the Brass Cap 15, you will see how this occurs.

As stated, we used the spring in October of 1970, we used it on a number of occasions prior to May 1971.

If any omissions or problems are evidend, would you be good enough to telephone me collect at (415) 355-3756.

Thank you for your courtesy and assistance in this matter.

Sincerely,

Elizabeth B. Fricke

Attention Tom D. King

Gentlemen:

Enclosed is a Form 243, Claim to a Water Right together with a check for \$30.00, a penned plat of the .84 acres involved, a copy of the warranty deed.

The property, when purchased, was inadvertently granted to my brother-in-law, Beldon C. Bersch and me. We later deeded by the deed copy enclosed as it should have been, in the names of my sister, Patricia, her husband, Beldon and my husband and me. My sister Patricia died in 1981 and no proceedings have commenced in Idaho County to remove her name from the title and consequently I am filing for the parcel itself which I understand from your offices to be satisfactory.

If further documentation of detail is required for this water right, please advise.

Thank you for your assistance and courtesy.

Sincerely,

Elizabeth B. Fricke
