Under the provisions of Section 42-243, Idaho Code, any person using or claiming rights to the public waters of Idaho established by diversion and application to a beneficial use must file a claim with the Department of Water Resources on or before June 30, 1983. Exempted from this filing are single family domestic uses as defined in Section 42-230(d), Idaho Code. Also exempted are rights represented by a permit, license, decree, adjudicated right, or a previously filed claim.

The filing of this claim does not confirm the water right claimed but failure to file may result in forfeiture of a water right.

MEMORANDUM

TO: FILE
FROM: STEVE LESTER *SL*
DATE: FEBRUARY 28, 1992
SUBJECT: REVIEW OF EXAM FOR PERMIT 77-07203

According to the topographic map, Castle Creek does not appear in NENE S.11 except as the creek bisects the section corner common to Sections 1, 2, 11, and 12. See the attached map (reviewer's). This is not a distortion due to photocopying; refer to original quad # S-73. It is possible that the P/D is actually in SESE S.2 or on the section line between S.1 and 12 but cannot be confirmed by exam data. Due to the remote location of the site, I recommend that the P/D be described as the section corner Perhaps an amendment fee would not be necessary since the point could be seen as the outermost part of NENE S.11 and is clarified rather than changed by the above suggestion.

The same diversion point is used in rights 77-07202, 77-04209, and 77-04001. The other rights serve other uses in the area. The exam information in 77-07203 and 77-07202 is insufficient to quantify the ditch capacity. The flow measured in 77-07202 on 8/4/88 involved a 6" pipe from the ditch to the power use and is not a capacity limiter for the ditch. SRBA exams will be needed for claims (if filed) based on the two statutory claims, and ditch capacity can be determined at that time.

Yard use at the cabin is apparently covered by 77-04209 (includes 7 acres in NWNE S.11), and 77-07203 is used for internal domestic at 1 cabin. The examiner's comment in item G2, Volume, seems to refer to this. Previous exams have allowed .04 cfs for internal use instead of restricting the rate to .02 cfs. Therefore, allow .04 cfs but still limited to .6 afa.

SRBA claims were found for 77-07202 and 77-04209. No SRBA claims were found for 77-07203 or 77-04001 per AJ5 or AJ2. No claim is required for 77-07203 since proof was filed in 1988.

Re: Permits Nos. 77-7202 and 77-7210, and Claims Nos. 77-4209 and 77-4222

Dear Mr. McAfee:

We are in receipt of the examination information sheets for the above-referenced water rights and of your check No. 2493 in the amount of \$150.00.

Enclosed herewith we are returning the information sheets for claims Nos. 77-4209 and 77-4222. Please be advised that this office does not conduct examinations on claimed rights so no fee information sheets are required on these water rights.

We have applied \$50.00 of your submitted fee to cover the examination fee for permit No. 77-7210. The remaining \$100.00 we have applied to your permit No. 77-7202. As you note by the fee schedule, \$100.00 is the proper fee for a rate of flow of up to 1.0 cubic feet per second. Because you have identified a rate of flow of 1.6 cubic feet per second (cfs), if you wish to have the entire rate of flow licensed, an additional fee of \$25.00 is required.

If you wish to increase the amount of water eligible for licensing, you may submit the additional fee within the next 30 days with no penalty. If the fee is not submitted at this time, and if our examination indicates that your rate of flow is greater than 1.0 cfs, you will have the opportunity to pay the additional fee in the future, but the rules and regulations of the Department require that a fee submitted at that time must be accompanied by a penalty and a delay in date of priority.

The purposes of this letter are both to acknowledge the fee submitted, and to provide the opportunity for the additional payment. If you have questions or concerns regarding this letter, please feel free to contact this office as identified in the letterhead.
