- Water License No. 1056 -

WHEREAS, On the 28th day of November, A. D. 1904, Thunder Mtn. Gold & Silver M. & M. Co. of Roosevelt, County of Idaho, and state of Idaho, duly made application (No. 1343) to me for a permit to use one cubic foot per second of the waters of Little Lake Creek, County of Idaho, state of Idaho, for mining, power, manufacturing or transportation purposes; and,

WHEREAS, On the 17th day of January, A. D. 1905, Permit No. 1056 was issued to said applicant for the diversion of said water, and providing for the completion of the works of diversion therein described on or before the 17th day of July, A. D. 1905, and for the application to beneficial use of said water on or before the 17th day of January, A. D. 1906; and,

WHEREAS, On the 17th day of July, A. D. 1905, the holder of said permit duly made proof of the completion of adequate works for the diversion of one cubic foot per second of said waters, as evidenced by my Certificate No. 1056, dated december 30, 1905, confirming the completion of works of sufficient capacity for diverting and conveying to the place of intended use one cubic foot per second of water, with date of priority of November 28, 1904, and,

WHEREAS, On the second day of April, A. D. 1906 proof was duly made of the application to beneficial use of 14/100 cubic feet per second of said water;

NOW, THEREFORE, By virtue of the authority vested in me by the laws of the state of Idaho, I hereby grant and confirm to THUNDER MTN. GOLD & SILVER M. & M. CO. of Roosevelt, Idaho, the holder and owner of said Permit No. 1056, a perpetual right, dating from November 28, 1904, to the use of 14/100 cubic feet per second of the waters of Little Lake Creek, in the County of Idaho, and state of Idaho, or so much thereof as may be necessary for the purposes hereinbelow mentioned, to be diverted at a point 1350 feet S. W. from Dewey Mill; 8115 feet from mouth of Mule Creek, and 1250 feet from mouth of Little Lake Creek, and conducted to Dewey Mill for the purpose of milling and domestic use, subject, however, to the laws of the state of Idaho applicable to a license for the use of the waters of the state, and subject, also to the local or community customs, rules and regulations which have been or may be adopted from time to time by a majority of the users from a common source of supply, canal or lateral from which such water may be taken, when such rules and regulations have for their object the economical use of such water.

WITNESS My hand and the seal of my office, at Boise, Idaho, this twenty-fourth day of May, A. D. Ninteen Hundred and six.
