Gentlemen:

At the request of Mr. and Mrs. George Hyde, I am enclosing herewith in duplicate their protest to the above described application.

Apparently, Mr. Randi Grimsrud sold this property to Mr. and Mrs. Drnjevic. We believe that this same water was included in that particular matter, and a determination was made. Mr. and Mrs. Hyde thought everything had been settled.

In any event, they are filing this protest to protect their rights.

Dear Mr. Drnjevic:

We have returned your claim to a water right, for the following reasons:

1. There is no evidence the water has been used at the place indicated for domestic use prior to May 20, 1971.
2. No priority date in item #4.
3. You did not sign the claim. It is required that your signature be notarized and a \$20.00 filing fee must be attached to the claim.

The filing fee was changed by legislative action from \$10.00 to \$20.00 to be effective July 1, 1978. I have enclosed forms for both a claim to a water right and an application for permit with instructions.

To file a claim you will have to be able to prove the water was used at your place of use for domestic purposes prior to May 20, 1971. The fee for filing a claim is \$20.00.

The application for permit is to file for a water right in the spring, in case you cannot file a claim to a water right as explained above. The fee is \$20.00.

I have enclosed forms for both a claim to a water right and an application for permit with instructions.
