License of Water Right No. 75-7008 Priority Dec. 8, 1969 Amount 2.94 cfs

THIS IS TO CERTIFY, that Hugh M. Coiner & V. Eron Coiner
of Salmon, Idaho, has complied with the terms and conditions of Permit
No. 75-7008 issued pursuant to Application for Permit dated December 8, 1969,
and has submitted proof to the Department of Water Resources on February 25, 1974,
that he has applied water to a beneficial use; an examination by the Department indicates that the works have a
capacity for the diversion of 3.11 cfs of water from Pony Creek,
tributary to Napias Creek, and that the permit holder has applied to a beneficial use and
established a right to use water as follows:

Beneficial Use	Period of Use	Rate of Diversion	Annual Volume

Dear Sirs:

We acknowledge receipt of the affidavits submitted as proof of beneficial use for the above referenced permits.

Before licenses can be issued, field examinations must be made by a representative of this Department. We cannot tell just when these examinations will be made, but our examiner will try to contact you at the time he makes the examinations so that you may show him the systems.

If you have any questions concerning the field exams, please contact our Eastern District Office at 1515 Lincoln Road, Idaho Falls, Idaho.

Sincerely,

D. Darlene Reich

Re: Permit No.'s 75-7007 & 75-7008

Hugh M. & V. Eron Coiner
Box 111
Salmon, ID 83467

Dear Sirs:

One of the conditions of approval of your water Permit No.'s 75-7007 and 75-7008 (see last page of your approved permits) was that evidence of the extent of development be submitted as proof of application of water to beneficial use to this office on or before April 1, 1974. Enclosed are affidavit forms which must be used to submit the required proofs of beneficial use.

If you have not fully completed your projects, and you have not previously received extensions of time, you may request an extension of time provided the delay is for reasonable causes as indicated in Section 42-204, Idaho Code, amended. If you have been prevented from proceeding by a governmental agency or by litigation, more than one extension can be granted for each permit.

Either the beneficial use affidavits or a request for extensions of time must be received by this Department on or before the above mentioned date, otherwise the permits will lapse and be of no further force or effect.

Gentlemen:

We enclose a copy of your approved application for permit ^{75-7007 &}75-7008
in which we direct your attention to the limitations and conditions as given
on the fourth page under approval of the State Reclamation Engineer.

Very truly yours,

C. Stephen Allred, ~~Assistant~~ Deputy
State Reclamation Engineer

Enclosures: Copies of permits
Receipt No. 3941 for \$30
Receipt No. 3942 for \$25

NOTE: Regarding Permit No. 75-7008, there are two other water permits filed
on this source (Pony Creek) . If these two permits are filled from Pony
Creek, there will probably not be enough water in the creek to fill this
permit.

P.S. Be sure to note that a special condition requiring you to install and
maintain measuring devices at your points of diversion has been placed on
your permits. We are enclosing a letter describing different types of
measuring devices accepted by this office.

Recorder-Herald
Box 310
Salmon, Idaho 83467

Gentlemen:

On January 20, 1970, we wrote you requesting the affidavit of publication for the above referenced application. On January 23rd, we received the enclosed affidavit and bill which is for application No. 75-7007. We have already received the affidavit for this application, a copy of which is enclosed.

Both 75-7007 and 75-7008 were to be published on the same days and are in the same peoples name, so this makes for confusion in itself. We are enclosing a copy of the legal notice for which we are requesting an affidavit and bill.

If you have any questions, please contact Mrs. Darlene Reich of our office.

Very truly yours,

Gentlemen:

We are ready to take final action on the above referenced applications for permit. You have stated on both applications that the property at the points of diversion is owned by the U. S. Forest Service, therefore we will require a copy of your Special Use Permit from the Forest Service.

If you have any questions on this matter, please contact me.

Recorder-Herald
Box 310
Salmon, Idaho 83467

Gentlemen:

Would you please submit an affidavit of publication and a certified bill in connection with the above referenced item(s). The legal notice was to be published in your paper on January 1 and 8, 1970.

As the above permit application cannot be approved until we are in receipt of the affidavit, it is important that we receive it as soon as possible.

May we please have your prompt attention to this matter.

Very truly yours,

Donald W. McEldowney

Recorder-Herald
Box 310
Salmon, Idaho 83467

Gentlemen:

Enclosed you will find a legal notice which we wish to have published once a week for two consecutive weekly issues of your newspaper. We have inserted the publication dates allowing ample time for you to submit us a galley proof for review before publication.

After sending us a galley proof, proceed with the publication on the dates we have inserted assuming the notice is correct. If we have any corrections, we will notify you before the first publication date. If you cannot publish the notice on the proposed dates, please contact us immediately.

An affidavit of publication must be submitted to the Department of Reclamation along with the publication bill. In order to receive payment, the following certification must appear on the bill:

I hereby certify that the foregoing account is just and correct, that the amount claimed is legally due, after allowing all just credits, and that no part of the same has been paid.
