Dear Mr. Cummings:

Enclosed is your original claim and a new claim prepared in this office for your review.

Initially, to qualify for the \$30.00 fee a claim must basically be for an amount that does not exceed 0.02 cfs or 13,000 gallons per day. A gravity domestic system for one home can rarely exceed 0.02 cfs and I have used that value for your claim. Also $\frac{1}{2}$ acre of irrigated ground is implied in the term "Domestic Use".

I believe your needs have been covered in the new claim. If you agree you need to sign and have the claim notarized and send it to this office with a \$30.00 fee.

If you have any questions, please give me a call.

Sincerely,

HAROLD W. JONES
Sr. Resource Agent
