Dear Mr. Felton:

In May the Department of Water Resources received your claim to a water right filed in accordance with Section 42-242 of the Idaho Code requiring all beneficial use water rights be recorded with the state. This claim was reviewed by our staff and subsequently returned on May 12, 1983 with a cover letter outlining the modifications you needed to make for the claim to be in form to receipt.

The fee at the time you submitted your claim was \$30.00. However, starting July 1, 1933 the statutory fee for filing a claim was substantially increased to \$100.00. Since your claim was originally received when the lower fee was in effect, we will accept your claim at that rate provided it has been corrected and returned no later than November 21, 1983. A returned claim postmarked later than November 21, 1983 will be assessed the current filing fee of \$100.00.

The staff at our office will be glad to answer questions or assist you in properly completing the claim form.

Respectfully submitted,

ERNEST CARLSEN

Dear Mr. Felton:

Enclosed is your claim to a water right and check #31-5 for \$30.00. There were some deletions and errors and I have made up a new claim for your use.

Please review this new claim and verify that your point of diversion and place of use is in the NW $\frac{1}{4}$ of the SW $\frac{1}{4}$ of Section 16 as implied by your original claim. I will need you to indicate the approximate location of the point of diversion and place of use with an arrow and title on the map.

You can resubmit your claim with the \$30.00 fee after you have signed and had it notarized.

Sincerely,

HAROLD W. JONES
