Dear Mr. Grover:

In the process of reviewing your claim ~~to a water~~ right I am unable to complete your claim until I correct the location of your place of use and point of diversion. After I reviewed your map and other maps of that area, the Department has reached the conclusion that both the point of diversion and place of use are located in Section 27 of T. 24N, R. 19E. Since Section 27 is irregular in shape and size, it is unnecessary to try to get the nearest quarter-quarter section.

I have filled out a new claim form for you. Please sign the forms, attach the map and have it notarized, then return it to me. If you have any questions contact me at 525-7161 or come to the Idaho Falls Regional Office. Please note the sworn date was 1984.

Sincerely,

GERALD F. RAMSEY
