Dear Claimant:

Enclosed are four claims to a water right and check #92-42 for \$120.00 that were received by this office and two retyped claim forms.

It appears that the three claim forms with the July 1, 1910 priority cover a development that could be filed on one claim form. If all of the groundwas developed at the same time, only one claim needs to be filed. To complete the typed claim form for the 1910 priority, item #3 and #4 amount of water, needs to be completed. It appears that you are claiming 26 miners inches ($12 + 6 + 8 = 26$). ~~if this is true~~ if this is true, then in item 3 and 4 the amount should be 0.52 cfs ($1" = 0.02$ cfs)

The claim with a 1957 priority needs in item #1 the day of priority, in item #3 and #4 amount $10" + 0.2$ cfs; item 6A the total number of acres in each quarter-quarter section; and on the map the place of use needs to be outlined.

Please review each claim form, sign in front of a notary and return with the \$30.00 filing fee for each claim to this office.

Please feel free to contact this office for any additional assistance that may be needed.

Sincerely,

KEITH C. WILSON
