Roger R. and Vicky H. Tracy being first duly sworn,
deposes and says: With regard to Claim No. 75-4296 by John M. & Kathleen Waite, we take exception for the following reasons: (1) The Waites should have only waste water rights out of Waddington Creek as this water is used first to irrigate my fields above where they take the diversion out for use in irrigation of their property. (2) The Waites have indicated that they have approximately 19 acres. They have subdivided these 19 acres into five parcels and have retained only a few acres. Therefore, they have filed for use on all 19 acres when, in fact, they do not own the other four parcels. Approximately 50% of the flow out of Waddington Creek during high water runoff comes from Second Creek and Lost Creek drainage through ditches on my property. The Waites have indicated that they have a right to this water at the diversion point described in their claim, where, in fact, this water is also all waste water. (3) This 19 acre parcel was part of my 520 acre ranch and was sold by me to the Waites on September 9, 1977 with the understanding that waste water was to be utilized for irrigation purposes.
