Dear Mr. Corbett:

During a review of your recently submitted "Claim to a Water Right", I found a discrepancy between the location of use (6a) and the map. The map shows your 25 acres to be in the NE $\frac{1}{4}$ NE $\frac{1}{4}$ of Section 15 while section 6a of the claim lists this land in the SE $\frac{1}{4}$ NE $\frac{1}{4}$ of Section 15. I have taken the liberty of changing the claim to correspond with the map's description. If this description is correct please check the form for accuracy, have your signature witnessed by a Notary Public and return the claim to me. If this change is incorrect please inform me of the correct place of use and I will process a new claim.

Please contact me if I may be of any further assistance.
