EXCEPTION TO CLAIM TO WATER RIGHT

Filed pursuant to Section 42-244 Idaho Code, as amended

AFFIDAVIT

STATE OF California)
County of Sonoma) ss.

DORSEY H. McLAUGHLIN, dba Hot Springs Ranch, of Lemhi County, Idaho, being first duly sworn, deposes and says:

Affiant files his exception to the above claim as follows:

1. Claimant, ALMON JENSEN, does not have the exclusive right to the use of the waters described in the claim for the reason that affiant, DORSEY McLAUGHLIN, owns the right to use 75 miners inches of said water for irrigation from April 1 to November 1 of each year.
2. The basis of the undecreed and unlicensed right of DORSEY H. McLAUGHLIN is that 75 miners inches of the natural slough referred to in claimant's claim was diverted and appropriated to beneficial use as early as April 1, 1920, upon the following lands lying in Lemhi County, Idaho, to-wit:

A fraction of SW $\frac{1}{4}$ NW $\frac{1}{4}$ and a fraction of NW $\frac{1}{4}$ SW $\frac{1}{4}$, Section 32, T. 23 N., R. 22 E.B.M., lying between Highway No. 93 on the West and said slough on the East, comprising 20 acres more or less.

3. This exception is filed because ALMON JENSEN in pending Civil Case No. 6537, In the District Court of the Seventh Judicial District of the State of Idaho in and for the County of Lemhi, claims the exclusive right to the waters of said slough and small reservoir.

4. The slough was dammed to create a pond, and new diversion works and ditches were built to carry water therefrom approximately 1955 or 1956. The lands previously irrigated from

this slough or waste water source continued to be served by the water after the new works were built in the same manner and amounts they had previously. The lands so irrigated from this source are, among others, now owned by Almon Jensen, Dorsey H. McLaughlin, and Matt Yakovac. These lands were respectively referred to historically as "Old Bloomsburg Place", "Dave Schultz Place" and "Hi Carlson Place".

5. In recent years Almon Jensen has used very little of the waters on his land; Almon Jensen has so obstructed affiant's ditch that affiant can get no water; and several hundred cfs of water simply flow through the slough into Salmon River.
