Dear Mr. Adams:

Thank you for your claim to a water right and application for permit. Both are enclosed along with a corrected form for each, and your check in the amount of \$40.00, No. 92-289. The amounts and use have been changed to more clearly represent the actual use of the water.

Unfortunately, we did not receive the form at this office until July 1, 1980. Therefore, the new filing fees will be in effect for these forms. Please enclose \$60.00, \$30.00 for each document filed.

Review the forms and if they meet with your approval, sign the claim in the presence of a notary and return with the proper filing fee for further processing.

If you have any questions concerning this matter, please feel free to contact this office.

Very truly yours,

STEVE McCORMICK
