Dear Mr. Swanson:

Re: Claim to Water Rights Nos. 75-4151, 75-4152, 75-4153
Permit No. 75-7168

This office acknowledges receipt of the statement of beneficial use postcard which was submitted on Claims to Water Right Nos. 75-4151, 75-4152, 75-4153. Please be advised that by the nature of a claim to a water right, it is not necessary to submit a statement of beneficial use. However, you were notified that Permit No. 75-7168 required the statement of beneficial use submitted by April 1, 1981. I'm assuming this statement was submitted for that permit.

Before a license can be issued, a field examination must be made by a representative of this department. We cannot tell just when this examination will be made, but our examiner will try to contact you at the time he makes the examination so that you may show him the system.

If you have any questions concerning this permit, or if you have any question concerning your claims, please feel free to contact this office or our Eastern Regional office at 525-7161.

Sincerely,

RITA FLECK
Sr. Secretary
