Mr. Ivan H. Bolander

Dear Mr. Bolander:

We are in receipt of the Judgment and Stipulation for Entry of Judgment wherein you are awarded by decree of the District Court of the Seventh Judicial District a water right from Fourth of July Creek.

The decree identifies your right as items (a) by means of Ditch No. 10 and (b) by means of Ditch No. 10-A with a priority date of April 1, 1895. During the portion of the irrigation season ending August 1 of each calendar year, the decree allots two miner's inches of water per acre; and during the portion of the irrigation season after August 1, one and one-half miner's inches per acre is allotted. Since the decree did not specify the total number of acres under irrigation, it is difficult to determine if the intent of the decree was to award one right for irrigation of 9 acres by means of two ditches or two rights for a total of 13 acres.

Supportive evidence for one right is located in our records under Claim No. 75-4086 with the priority date claimed as April 1895. The claim identifies .5 acres in the NE $\frac{1}{4}$ SW $\frac{1}{4}$ (Lot 1) and 8 acres in the NW $\frac{1}{4}$ SE $\frac{1}{4}$ (Lot 5) Sec. 35, T. 24 N., R. 21 E. for a total of 8.5 irrigated acres (9 acres rounded) by means of two ditches from Fourth of July Creek.

Enclosed is a copy of that portion of the Stipulation for Entry of Judgment in the case of Merrill M. Brown, et al., vs. Frank R. Nelson, et al., identifying your decreed right (a) and (b) and a copy of your Claim No. 75-4086 for your review.
