A hand-drawn map on graph paper. The map features a horizontal line representing a road or boundary. A vertical line intersects this horizontal line. At the intersection, there is a small, shaded, irregular shape. A line points from the text "Pt of Diversion" to this shaded area. Below the shaded area, the number "36" is written. A curved line extends from the shaded area towards the bottom left, with the text "use area" written next to it. The graph paper has a grid of solid lines and a grid of dashed lines.

Scale: 2 inches equal 1 mile.

Map should show the location of the point of diversion and the place of use of the water by 40-acre subdivisions, section, township and range of the public land survey system.

Section 42-225a, Idaho Code

Under the provisions of Section 42-225a, Idaho Code, a person may file a claim to a right to use water which has been established by diversion and application to beneficial use. **The filing of this claim does not confirm the water right but will serve for information purposes only.** It may, however, become the basis for future adjudication of the water right by the Court.

The extent and nature of said claim is as follows:

- A claim is not acceptable on a "ground-water" source with a priority later than March 25, 1963 or on a surface-water source with a priority later than May 20, 1971. An exception to this rule is that a claim may be filed on domestic use from a ground-water source.

- B) Describe means of diversion of water: (pump and pipeline, well, diversion dam, reservoir, length of ditch and field, etc.) Give sizes and capacities; be as specific as possible. diversion dam + pump

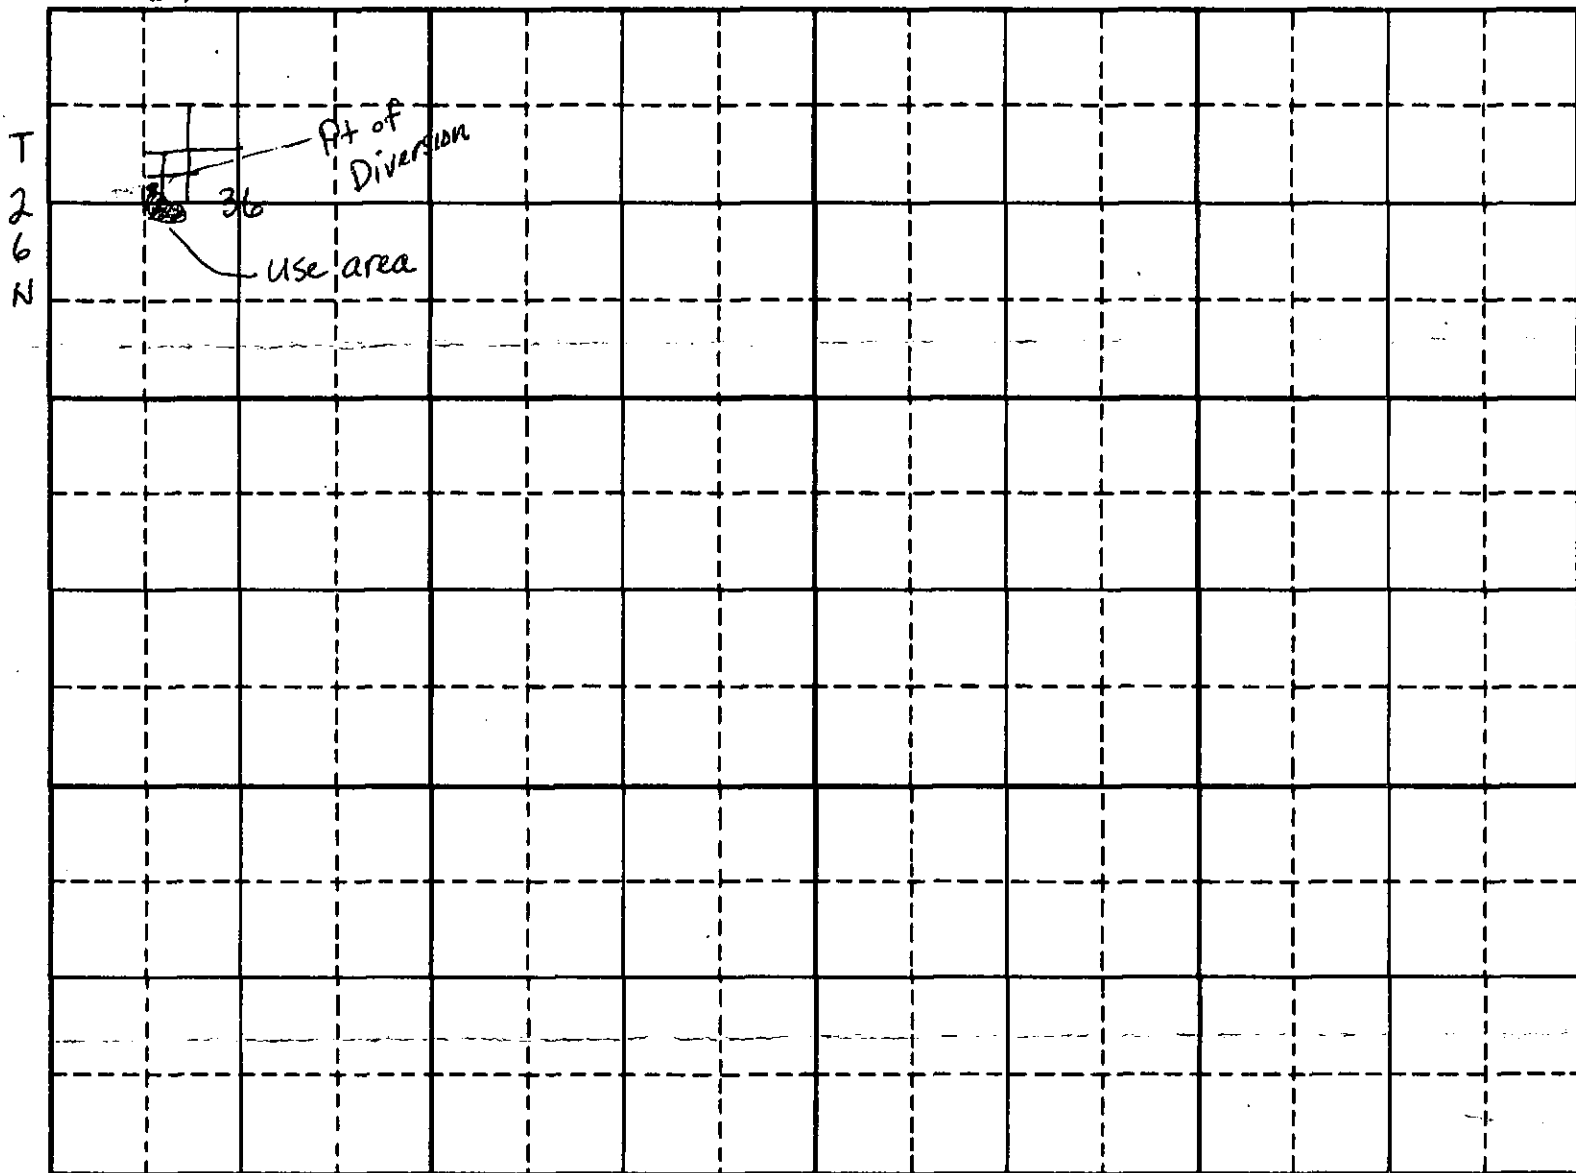

- [illegible]

Total No. of acres 2

- (7) If you are claiming water as a member of an organization, list name of organization: NA

Gibbonsville, Idaho 83463

Dear Mrs. Erickson:

The Department of Water Resources has completed the processing of your claim to a water right and no further action is authorized under Sections 42-225a and 42-225b, Idaho Code. Your claim will be retained in our files and will be available at any time for use by you or the court.

As you are aware, the filing of your claim does not, in itself, guarantee you a water right; it only records and preserves the information and the evidence which you included in your claim.

If, at a later date, you find that you have additional information or supporting evidence that you would like to have included in your claim file, you may have that information or evidence added at any time. Please refer to your claim number when corresponding with this office.

We are enclosing, for your records, a copy of your claim. If you have any questions or if we can be of further assistance, please feel free to call upon us.

Very truly yours,

RONALD D. CARLSON
