Dear Mr. Ward:

Thank you for your inquiry concerning water rights.

The only water which need not be filed on is that which is used for single-family domestic purposes from a well.

A claim to a water right is filed when more than one home is supplied water from one well.

Enclosed is a form which will enable you to do this. Please note the following additions which must be made to the form. Part 1 must have the date the well was drilled; at least month and year.

Also the form must be notarized and the filing fee of \$30 must be included for processing to begin.

Please feel free to contact me if you have any further questions.

Sincerely,
