DETERMINATION OF THE RIGHTS
TO THE USE OF THE SURFACE WATERS

CIVIL NO. 4948
PROPOSED FINDING OF
WATER RIGHTS

SEP 17 1992

The above-entitled cause was initiated under provisions of Section 42-1406, Idaho Code, by the submission of a petition from eight (8) water users in the Lemhi River Basin, requesting that the Department of Water Administration (changed to Department of Water Resources in 1974) obtain authority from the Court to prepare a proposed finding of water rights in the Lemhi River Basin. The petitioners specifically requested that the study reflect the present practice and use of water within the Lemhi River Basin.

Pursuant to Section 42-1407, Idaho Code, R. Keith Higginson, Director of the Department of Water Resources petitioned the Court on April 30, 1970, for an order of authorization for the commencement of an adjudication of water rights in the Lemhi River Drainage.

An order was signed on August 13, 1970, by District Judge Arnold T. Beebe, authorizing the Department to commence an investigation and determination of the various rights to the use of the water of the Lemhi River and its surface tributaries including ground water which may be either tributary to the Lemhi River or its surface tributaries within the Lemhi River Drainage Basin, such waters lying or being used within Lemhi County.
