Affidavit for Change of Point of Diversion of Decreed Water Right

RECEIVED

AUG 8 1940

Department of Reclamation

STATE OF IDAHO,

County of LEMHI

ss.

S. R. Chorn, being first duly sworn, deposes and says: That his postoffice address is Leadore, Idaho; That he is the owner of and using a certain water right, bearing date of priority of June 1, 1913, 19 , for 2.8 cubic feet per second of the waters of Texas Creek, County of Lemhi, State of Idaho, decreed to George Martin, by decree of Judge O. R. Baum, of the Sixth Judicial District of the State of Idaho, in and for the County of Lemhi, in the case of Nettie J. Hays, et.al. vs. C. H. Benson, et.al. said decree bearing date of May 14, 1920, for the purpose of irrigating the following described lands, situate, lying and being in Water Dist. No. 79G, in the County of Lemhi, and State of Idaho, to-wit: S¹/₄ NW¹/₄, SW¹/₄, and W¹/₂ SE¹/₄ of Section 26, Township 15 North, Range 26 East, Boise Meridian.

That he is the person (or representative of the corporation) to whom such right was issued, (or has become the owner thereof in the following manner: By purchase of the lands above described together with the appurtenant water rights

That said waters are now diverted from said stream in the SE 1/4 NW 1/4 of Sec. 35, Twp. 15 North, Range 26 East and conducted to the above described lands through the Martin ditch, as per map filed herewith and of this affidavit made a part;

That affiant desires to change the point of diversion of said water from the point above described to a point located in SW 1/4 of SW 1/4, Sec. 26, Twp. 15 North, Range 26 East, and thereafter conduct ^{a portion} same to the above described land through ~~the~~ ^{a new} ditch, as per map above referred to:

That his reasons for desiring to make such change are as follows: There is a considerable loss of water by seepage and percolation between the present point of diversion and the proposed new point of diversion and a saving of water can be made by the proposed change. The new point of diversion is upon the lands of the applicant.

That no one will be injured by such change and that such change will be made at affiant's own risk.

S. R. Chorn

Affiant.

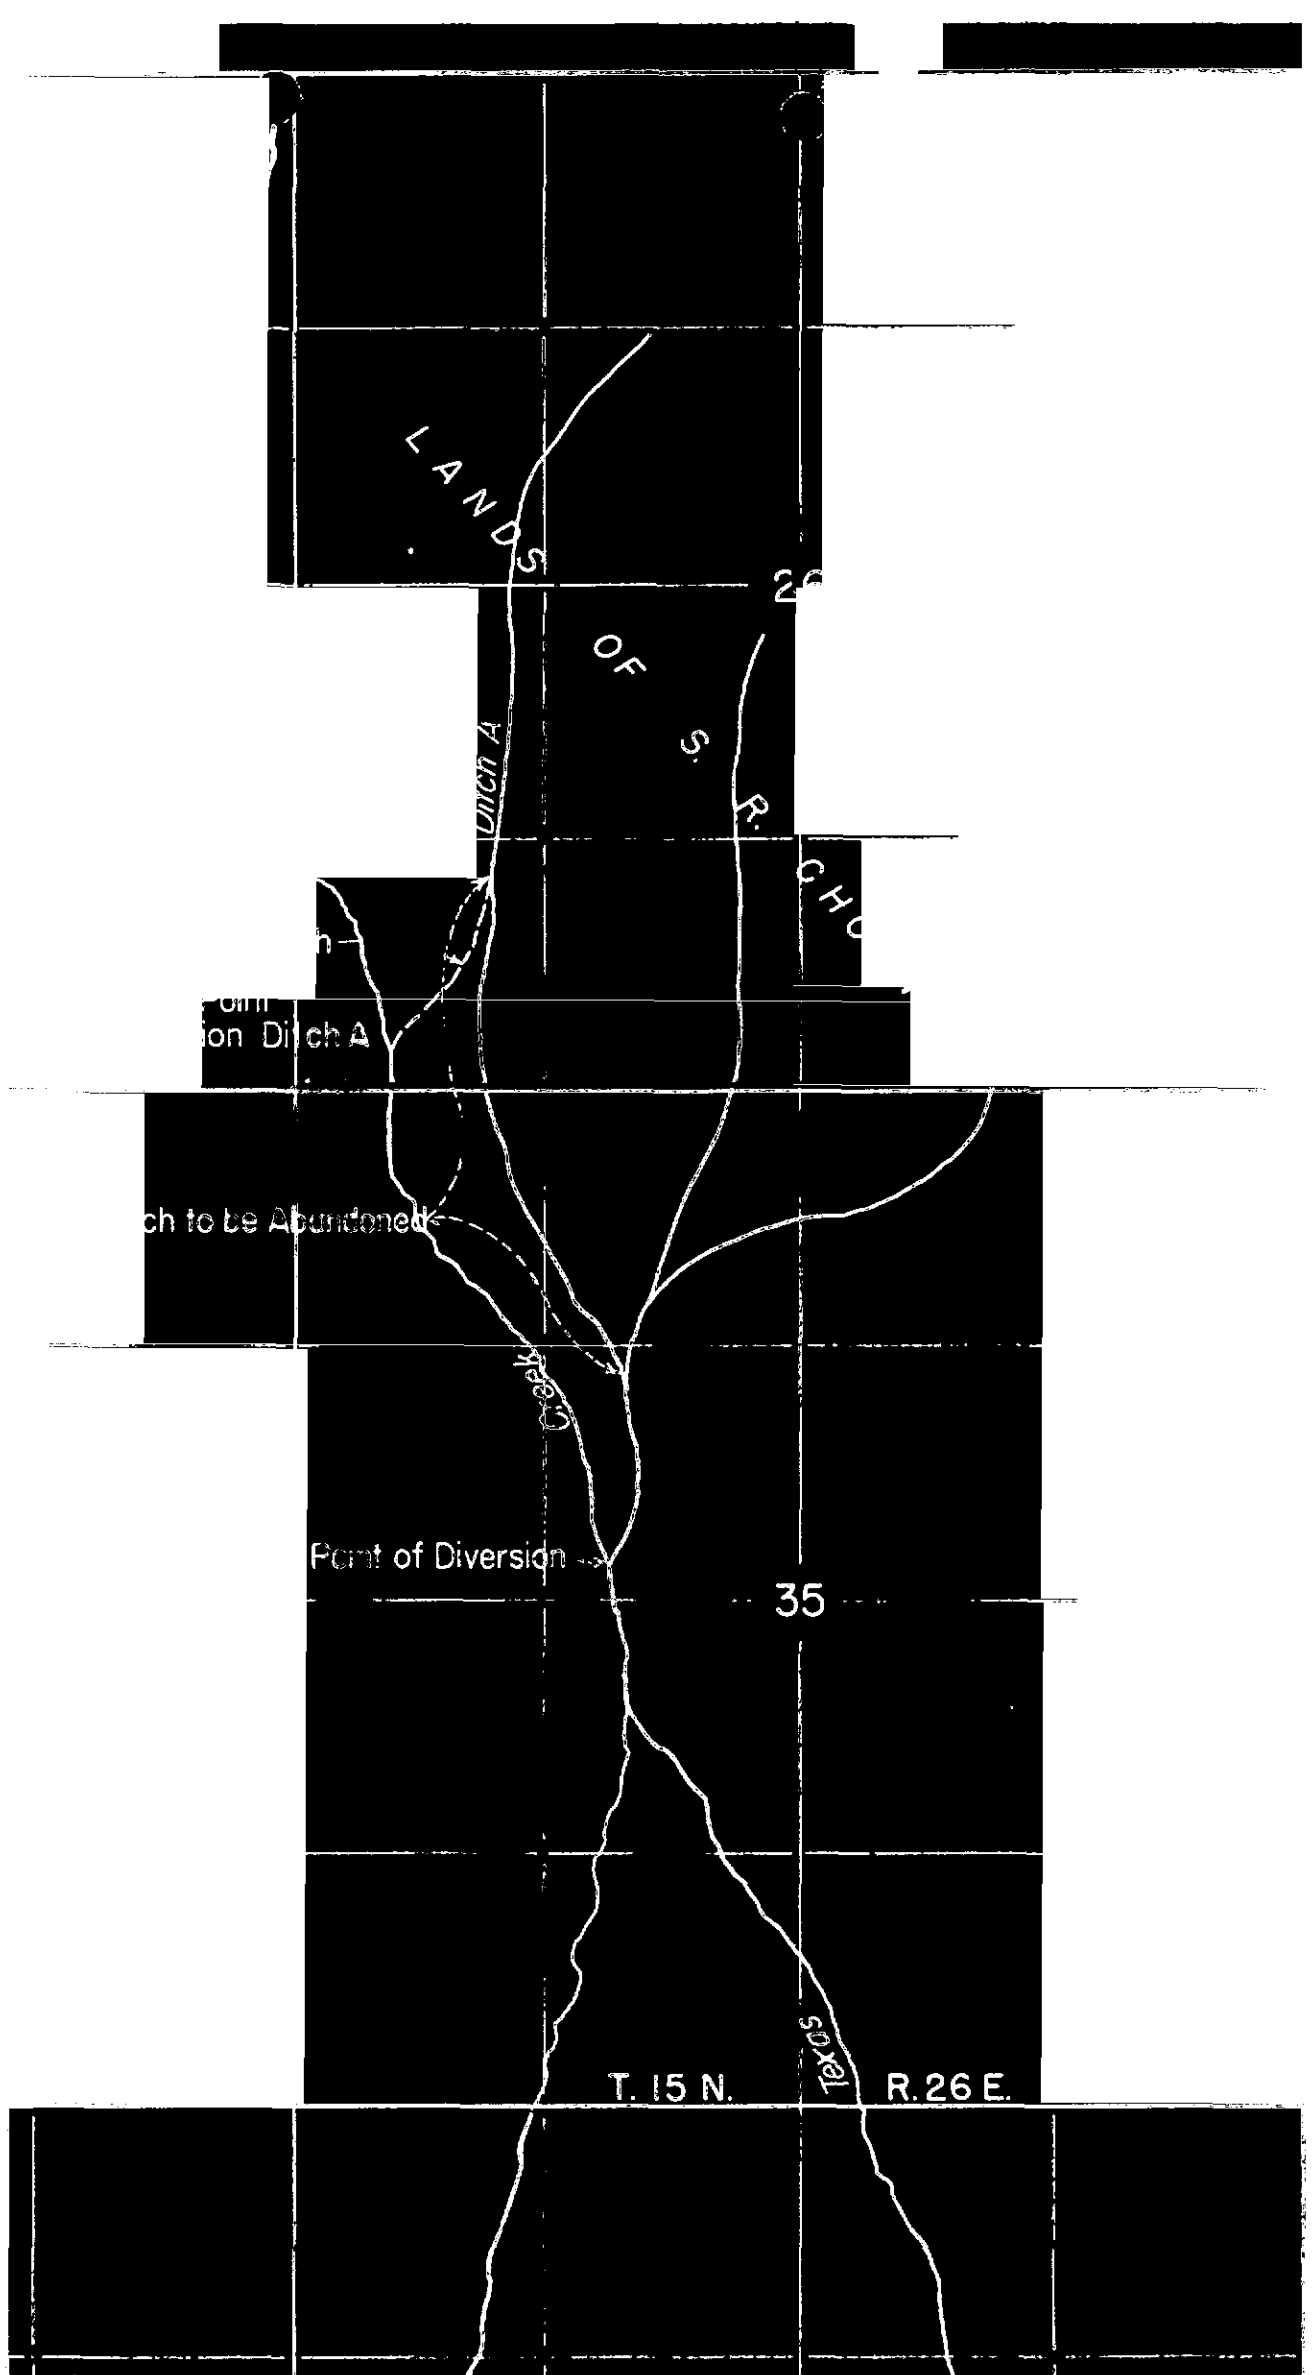

Subscribed and sworn to before me this 5 day of August, 1940

Max T. Stone
Notary Public
Residing at Leadore

NOTE: If this water right has heretofore been carried jointly in a ditch with other water, affiant should secure written consent of other owners or users to removal from its original carrier and file such consent with this affidavit.

approved by Glenn H. Phillips

Watermaster District 79 L. Leadore

MAP accompanying the application of
S. R. CHORN
To Change Point of Diversion

SCALE: 1 inch = 1000 ft.

August 8, 1940.

Mr. Glenn Phillips,
Watermaster Dist. No. 79-G,
Leadore, Idaho.

Dear Mr. Phillips:

We are in receipt of an Affidavit for Change of Point of Diversion of a Decreed Water Right, same being in the name of S.R.Chorn.

We have examined the Affidavit, and find same in order, and you are hereby notified of the change in point of diversion. We note that the Affidavit is for only a portion of Mr. Chorn's water right, and in making delivery to Mr. Chorn's lands, the total amount to be delivered at any one time must not exceed the amount decreed to lands to which it is appurtenant, that is: 2.8 cubic feet per second of the waters of Texas Creek, dated June 1, 1913, decreed to George Martin by decree of Judge O.R.Baum, of the 6th Judicial District of the State of Idaho, in and for Lemhi County.

Please file this letter with other records of Water District No. 79-G, for future reference.

The new point of diversion for the above described water right is in the SW $\frac{1}{4}$ SW $\frac{1}{4}$ of Section 20, Township 15 North, Range 26 East Boise Meridian, and is on applicants lands.

Very truly yours,

JAMES SPREFFORD
Commissioner of Reclamation

By O.D.Becker
Supervisor of Water Distribution

CC: S.R.Chorn
