AFFIDAVIT OF PUBLICATION

STATE OF IDAHO, }
County of Washington } ss.

Ellen Kiser, being duly sworn,
deposes and says:

That he is the Chief Clerk of
THE WEISER SIGNAL, a weekly newspaper published at
Weiser, in the County of Washington and State of Idaho; that
said paper has been and is in general circulation in the county
aforesaid, and in the vicinity of Weiser; that the advertise-
ment, a copy of which is attached hereto, was published in
said newspaper once a week for four consecutive weeks
in the regular and entire issue of said paper during the period
and time of publication, and was published in the newspaper
proper and not in a supplement; that said paper has been
established and regularly published for more than seventy-
eight consecutive weeks prior to the date of first publication
of said advertisement.

Such notice was published in the issue beginning with
November 4, 1954, and ending
with the issue of November 25, 1954.

No. 2357
NOTICE FOR PUBLICATION
NOTICE OF PROOF
APPLICATION OF WATER
TO BENEFICIAL USE

Notice is hereby given that at
2:00 P. M. on the 3rd day of De-
cember, 1954, at Weiser, County
of Washington, State of Idaho, be-
fore E. W. Horner, Notary Pub-
lic, proof will be submitted of the
application to beneficial use of 10
in. or .2 cubic foot per second of
the waters of two small springs in
accordance with the terms and
conditions of Permit No. 21773
heretofore issued by the Depart-
ment of Reclamation of the State
of Idaho.

The name and postoffice address
of the person or corporation hold-
ing said permit are John R. Still,
Box 735, Weiser, Idaho.

The use to which said water has
been applied is domestic purposes.

The amount applied to benefi-
cial use is 12 Miner's inches or .2
cubic foot per second.

The place where said water is
used is SW¹/₄SW¹/₄ Section 2,
Township 14 North, Range 6 West
B. M.

The right to take water from
such works is based upon Permit
No. 21773.

The source of supply from which
such water is diverted is two small
springs.

The date of priority which said
user is prepared to establish is
November 8, 1950. 21773

APPLICATION FOR PERMIT
To Appropriate the Public Waters of the State of Idaho

APPLICATION No. 29492
PERMIT No. 21773
DISTRICT No.

1. Name of Applicant: JOHN G. STILL

Postoffice address: Huntington

County: Baker

State: Oregon

I. If applicant is a corporation, give:

(a) Date and place of incorporation:

(b) Amount of capital stock:

(c) Amount paid in:

(d) Names and addresses of directors:

II. The financial resources of the applicant are:

(b) Treasury stock:

(d) Other resources:

(a) Cash on hand:

(c) Bonds to be issued:

2. Quantity of water claimed: Ten(10) miner's inches

cubic feet per second.

3. Source of water supply: Two small springs

which is a tributary of Middle fork of Dennett Creek

4. Location of point of diversion: 700

feet distant from the Southwest

corner of Section 2, T. 14 N., R. 6 W., B.M., and is in the SW $\frac{1}{4}$ SW $\frac{1}{4}$

of Section 2, T. 14 N., R. 6 W., B.M., County of Washington

5. Water is to be used for Domestic purposes

6. If for mining, milling, power or manufacturing purposes, give:

(a) Point of use of water: feet distant from corner of Section

T., R., B.M., in the of Section, T., R., B.M.

(b) Amount of power generated: H.P., under feet head.

(c) Water is to be returned to at a point feet

distant from the corner of Section, T., R., B.M., in the
of Section, T., R., B.M.

7. Estimated cost of works: \$ 200.00

8. Kind of works: Pipe and concrete box at point of intake

9. Height of dam feet; length of dam at top feet; length of dam at bottom

feet; material used in dam:

10. Size of headgate: Width feet; height feet.

11. Ditch: Width at bottom feet; width at water line feet; depth of water feet;

dimensions of flume:

Diameter of pipe One (1") inches; length of conduit 300 feet miles.

Average grade per mile feet.

12. The time required for the completion of such work is Two (2) years.

13. The time required for the complete application of the water to the proposed use is None additional years.

14. The land to be irrigated is described in the following tabulation: See remarks.

15. Existing water rights and/or valid permits appurtenant to the lands to be irrigated are: None

16. (a) Is reservoir to be used? No If so, fill in (b) and (c) below:
 (b) Name of Reservoir and number of Storage Permit:
 (c) Date of filing of Application for Storage Permit and Name of Applicant:

BE IT KNOWN THAT The undersigned hereby makes application for permit to appropriate the public water of the State of Idaho as herein set forth.

STATE OF IDAHO
DEPARTMENT OF RECLAMATION
BOISE, IDAHO
REPORT OF ENGINEER

Permit No. 21773

This proof is for Beneficial use In Water District No. _____1. Name of applicant John G. Still, Box 735, Weiser, Idaho2. Source of water supply: Two small springs3. Location of point of diversion: Is in the SW $\frac{1}{4}$ SW $\frac{1}{4}$ of Section 2T. 14 N. R. 6 W. County of Washington

4. Describe works as they exist, giving dimensions and capacities of same: Mr. Still has an open pit gypsum mine just over the crest of the divide on the West side in the Hells Canyon area. He has a good house approximately $\frac{1}{4}$ mile to the North and a little to the East of this claim. There are two good springs located just above the house. One of these has been boxed up. Concrete base on the bottom and board box on the top. There is a pipe line leading into the house. Pipe line is a 2" at the box and then reduced to 1" to $\frac{3}{4}$ " when it enters the house. The spring has elevation sufficient that the water flows freely at the tap in the house but does not have much pressure. Water Temperature is 44° .

5. Water is used for: Domestic purposes.6. State whether or not water has been turned into works of diversion: Yes

7. List legal subdivisions of lands to be irrigated. If proof is for beneficial use, give exact number of acres under cultivation in each forty-acre tract. (Describe manner and place of use if other than irrigation):

Place of Use: SW $\frac{1}{4}$ SW $\frac{1}{4}$ Section 2, Twp. 14 North, Range 6 West, B. M.See the map

(Submit map on attached plat, showing location and details of above description.)

8. What large stream would the water here appropriated finally reach? _____

Remarks: _____

This examination was made on the 5th day of October, 1955(Signed) E. N. Humphrey Examiner.

21773

INSTRUCTIONS TO EXAMINERS

1. Always carefully note the location of the point of diversion and accurately plat same.
2. When proof is for beneficial use, carefully check up the number of acres actually irrigated in each forty and accurately plat same.
3. Make a map showing the correct location of streams and ditches, and the irrigated lands, and any adjacent permanent landmarks, such as towns, lakes, large streams and public roads.
4. If any unusual conditions are discovered, make plain statement of them under remarks.
5. Always see the holder, if possible, and go over the whole ground with him and make your report only upon actual existing facts and conditions.
6. Give general characteristics of soils, topography, and crops raised.

NOTICE FOR PUBLICATION
NOTICE OF PROOF
APPLICATION OF WATER
TO BENEFICIAL USE

Notice is hereby given that at
2:00 P. M. on the 3rd day of De-
cember, 1954, at Weiser, County
of Washington, State of Idaho, be-
fore E. W. Horner, Notary Pub-
lic, proof will be submitted of the
application to beneficial use of 10
in. or .2 cubic foot per second of
the waters of two small springs in
accordance with the terms and
conditions of Permit No. 21773
heretofore issued by the Depart-
ment of Reclamation, of the State
of Idaho.

The name and post office address
of the person or corporation hold-
ing said permit are John R. Still,
Box 735, Weiser, Idaho.

The use to which said water has
been applied is domestic purposes.

The amount applied to benefi-
cial use is 12 Miner's inches or .2
cubic foot per second.

The place where said water is
used is SW1/4SW1/4 Section 2,
Township 14 North, Range 6 West
B. M.

The right to take water from
such works is based upon Permit
No. 21773.

The source of supply from which
such water is diverted is two small
springs.

The date of priority which said
user is prepared to establish is
November 8, 1950. 21773

Permit No. 21,733

Proof of Application of Water to Beneficial Use

Deposition of Holder

Ques. 1. State your name, residence, occupation and postoffice address.

Ans. John G. Still, 28 miles North of Weiser, Idaho, Mining and Carpenter
Box 735, Weiser, Idaho

Ques. 2. If acting in behalf of corporation, state its name, principal place of business (if a foreign corporation, give name of postoffice of statutory agent), your position with reference to same, and your authority for appearing in its behalf.

Ans. _____

Ques. 3. State number and date of permit, and date of priority you propose to establish under the permit.

Ans. 21,733 - Sept. 29th, 1952, August 10th, 1954

Ques. 4. State source of water supply and give exact location of point of diversion.

Ans. Two small springs located in SW $\frac{1}{4}$, SW $\frac{1}{4}$ Section 2, TWP 14 North,
Range 6, West B. M.

Ques. 5. Describe your works of diversion, and state amount of water they are capable of conveying from point of diversion to place of use, and give name of canal or ditch or other works by which water is conducted to such place of use. If a well, state depth of well, depth and size of casing and depth to water. If pump is used, state discharge of pump and tell how it was measured or determined. If sprinkler irrigation, give number and size of nozzles and operating pressure.

Ans. Spring is boxed with cement two feet square, outlet is two inch
pipe reduced to three/quarters where it enters the house. 5 lbs.

Ques. 6. State for what purpose water is used and describe place of use. (If for irrigation, name each subdivision in which used, and number of acres in each subdivision that have actually been irrigated with said water.) State whether cultivated or natural meadow land and the nature of all improvements which have been made as a direct result of said use.

Ans. Domestic use. Piped into house.

21778

21773

Ques. 7. If for other than irrigation purposes; state how applied, amount of horse power generated, etc.

Ans.

Ques. 8. What is the minimum amount of water required for the purpose specified above?

Ans. Domestic use.

Ques. 9. If you are not the person or representative of the corporation to whom above mentioned permit was originally issued, please state how ownership was acquired by present holder.

Ans.

Ques. 10. State when, how, in what amount and to what extent the water diverted under above mentioned permit has been used.

Ans. Domestic use only.

Ques. 11. State when, how, in what amount and to what extent waters other than those diverted under the above mentioned permit have been diverted and applied to beneficial use upon the lands herein described. Give full particulars regarding such other appropriations and rights claimed thereunder.

Ans. None

STATE OF IDAHO
DEPARTMENT OF RECLAMATION
BOISE, IDAHO

PERMIT NO. 21,733

Proof of Application of Water to Beneficial Use

Deposition of Witness

The deposition of two witnesses, on this form, taken separately, required in each case.

Ques. 1. State your name, age, residence, occupation and postoffice address.

Ans. Herbert Erickson, 46, Weiser, Idaho, Farmer, Route # 2.

Ques. 2. Are you acquainted with John G. Still, the holder of Permit No. 21,733? How long have you known him and where does he reside?

Ans. Yes, I have known him for 15 years. He resides in 28 miles North of Weiser, Idaho

Ques. 3. Have you read or heard read said Permit No. 21,733, and are you familiar with its provisions and conditions?

Ans. Yes

Ques. 4. State source of water supply, place of diversion, and describe works for conveying water from point of diversion to place of use.

Ans. Two small springs, both are located in the SW $\frac{1}{4}$, SW $\frac{1}{4}$ Section 2, TWP 14, Range 6 West, BM

Ques. 5. How many second feet of water do you estimate said works will safely conduct to place of use, and how much water have you seen being so conveyed?

Ans. Two inches or .04 second feet.

Ques. 6. State for what purpose water is used and at what place. (If for irrigation, give each subdivision in which water has been used and number of acres irrigated in each subdivision.) State whether cultivated or natural meadow land and the nature of all improvements which have been made as a direct result of said use.

Ans. Domestic use, and in the house.

21773

Ques. 7. If for power or other purposes than irrigation, state how water has been applied and to what extent.

Ans. _____

Ques. 8. (If for irrigation) state character of land that has been reclaimed, and give your estimate of the amount of water required for its profitable cultivation.

Ans. _____

Ques. 9. Have you any interest in the works, water or lands above mentioned? If so, in what way and to what extent?

Ans. No.

Ques. 10. State when, how, in what amount and to what extent you have witnessed the application to beneficial use of water diverted under said permit.

Ans. Domestic uses only.

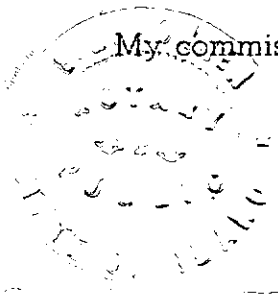

(Signed) Herbert Erickson

PERMIT NO. 21,773

Proof of Application of Water to Beneficial Use

Deposition of Witness

The deposition of two witnesses, on this form, taken separately, required in each case.

Ques. 1. State your name, age, residence, occupation and postoffice address.

Ans. B. B. Linkous, Age 76, Weiser, Idaho, Retired Rancher, Weiser, Idaho

Ques. 2. Are you acquainted with John G. Still, the holder of Permit No. 21,733? How long have you known him and where does he reside?

Ans. I have known him 50 years, he resides in Weiser, Idaho

Ques. 3. Have you read or heard read said Permit No. 21,733, and are you familiar with its provisions and conditions?

Ans. Yes

Ques. 4. State source of water supply, place of diversion, and describe works for conveying water from point of diversion to place of use.

Ans. Two small springs, both are located in the SW $\frac{1}{4}$, SW $\frac{1}{4}$ Section 2, TWP 14 North, Range 6 West, B. M.

Ques. 5. How many second feet of water do you estimate said works will safely conduct to place of use, and how much water have you seen being so conveyed?

Ans. Two inches or .04 second feet.

Ques. 6. State for what purpose water is used and at what place. (If for irrigation, give each subdivision in which water has been used and number of acres irrigated in each subdivision.) State whether cultivated or natural meadow land and the nature of all improvements which have been made as a direct result of said use.

Ans. For domestic use in the house.

21723

Ques. 7. If for power or other purposes than irrigation, state how water has been applied and to what extent.

Ans. Domestic use.

Ques. 8. (If for irrigation) state character of land that has been reclaimed, and give your estimate of the amount of water required for its profitable cultivation.

Ans. _____

Ques. 9. Have you any interest in the works, water or lands above mentioned? If so, in what way and to what extent?

Ans. No.

Ques. 10. State when, how, in what amount and to what extent you have witnessed the application to beneficial use of water diverted under said permit.

Ans. The house where the water is being used is on a mining claim.

I have been to the mining claim many times, mostly before the water was diverted and was at the house in September, 1954, and observed the water running in the house and had a drink from same.

NOTICE TO ACCOMPANY THIS LETTER MUST BE MADE IN DUPLICATE

(Date)

Nov. 2 - 1954

(P. O.)

Boise, Idaho

TO THE STATE RECLAMATION ENGINEER:

Boise, Idaho

Dear Sir:

You are hereby authorized to have the attached notice published at my expense in the

Weiser, Signal

of

Weiser, Idaho

published in

the county in which the works are situated.

John G. Still

(In case of canals or other works designed to divert and carry more than 50 cubic feet of water per second, the following certificate must be signed by a well-known and competent engineer.)

I hereby certify that the facts set forth in the attached notice are true.

Engineer.

September 1, 1954

Mr. John G. Still

Huntington, Oregon

Dear Sir:

We enclose herewith blank notice for proof of application of water to beneficial use under your Permit No. 21773. This notice should be filled out in duplicate and returned to this office at least 40 days before the date upon which you wish to make this proof, in order to allow time for the four weeks' publication required by law.

This proof must be submitted before a Notary Public or other officer authorized by law to administer oaths.

The date for proof, as set out in your permit, is not later than November 10, 1954, and if proof is submitted later than said date, your priority will be brought down a length of time equal to the time elapsing between the date the proof is due and the date proof is actually made.

Very truly yours,

MARK R. KULP

State Reclamation Engineer

RE: Permit No. 21773

Mr. John G. Still
Huntington
Oregon

Dear Mr. Still:

We enclose Certificate of Completion of Works issued under Permit No. 21773, for the diversion of 2 inches of water from a spring in the SW 1/4 Section 2, Township 14 North, Range 6 West, B.M., for domestic use on the same subdivision.

We also enclose approval of the State Reclamation Engineer of your application for extension of time for beneficial use proof to November 10, 1954.

This should be attached to the original permit of which it now forms a part.

Very truly yours,

MARK R. KULP
State Reclamation Engineer

Permit No. 21773

STATE OF IDAHO
Department of Reclamation

Proof of Completion of Works

AFFIDAVIT OF HOLDER

STATE OF IDAHO

County of Ada

ss.

John G. Still

, being first duly sworn, upon his oath deposes and says:

First: That he is the holder and owner of Permit to appropriate the Public Waters of the State of Idaho, No. 21773, and that his postoffice address is Huntington

State of Oregon

Second: That the name of the stream ^{FROM} which said water is to be ^{DIVERTED} directed is Un-named spring

Third: That the point of diversion of said water is in the SW¹/₄ SW¹/₄ Section 2, Twp. 14 N. Range 6 West, B. M.

Fourth: That under the terms and conditions of said permit, construction thereunder was required to be completed by November 10, 1952, 19

Fifth: That the use for which said water is intended is domestic

Sixth: That on the date above mentioned, the works constructed under said permit were (or were not) fully completed and consisted of the following:

I. Kind of works: Pipe and concrete box at point of intake
(Reservoir, dam, ditch, flume, pipe or otherwise)

II. Dimensions of work:

(a) Height of dam feet, length of dam at top feet, length of dam at bottom feet. Material used in construction

(State whether wood, earth, stone or concrete)

(b) Capacity of reservoir acre feet.

(c) Size of headgate: Width feet, height feet.

(d) Conduit width at bottom feet, width at water line
(State whether ditch, flume or pipe)

feet, depth of water feet; diameter of pipe 1 inches, average grade per mile is feet. Length of conduit is 60 miles feet

Seventh: That said works are capable of conducting to the place of intended use two second feet of water inches

Eighth: That water appropriated under said permit is available for acres of land described as follows:

Ninth: Remarks: That The application describes two springs, but it was found that one spring would produce a sufficient amount of water.

Mr. Jack G. Still

Huntington, Oregon

Dear Sir:

Under the terms of your permit No. 21773 you are required to complete your diversion works and make proof of beneficial use on or before _____
November 10, 1952.

We enclose herewith a blank affidavit to be filled out, sworn to by you before a Notary Public or Justice of the Peace, and returned to this office on or before the above date, or within ten days thereafter, for the purpose of making proof of completion under the permit. Upon receipt of this affidavit in this office, provided the same satisfactorily shows the Completion of the Works substantially in accordance with the terms of the permit, together with a fee of \$5.00, a Certificate of Completion of Works will be issued to you.

We also enclose blank notice for proof of application of water to Beneficial Use under this permit, which should be filled out and returned to this office at least forty (40) days before the date upon which you wish to make proof. The proof must be submitted before a Notary Public or other officer authorized by law to administer oaths. The date for proof as set out in your permit, is _____
November 10, 1952, and if proof is submitted subsequent to said date, your priority will be brought down a length of time equal to the time elapsing between the date proof should have been made and the date proof is actually made.

Very truly yours,
