RE:

Proof of Beneficial Use

Mr. Hand contacted me today and we discussed the status of his permit. He was under the impression that this permit was for some 500 acres which he had sold, and he thought he had taken care of all of the paper work.

After some further discussion I found out that permit is indeed for the land and domestic as well as stockwater purposes, he is now using.

I returned the proof notice letter along with the postcard.

Dear Mr. Hand:

Re: Permit No. 67-7213

This office acknowledges your letter explaining that you have sold some of the land covered under this water right permit. Please be advised that a water right permit is personal property and cannot be passed on unless it is assigned to the new land owner. I have enclosed an assignment form for that purpose.

Please return the assignment as soon as possible, so the department has ample time in which to notify Mr. Holt that he will need to submit a statement of proof of beneficial use or request an extension of time on or before August 1, 1979 to keep this permit in good standing.

If you have any questions concerning this matter, please contact me.

Dear Mr. Hand:

One of the conditions of approval of your water Permit No. 67-7213 was that evidence of the extent of development must be submitted to this office on or before August 1, 1979. (See last page of your approved permit). Enclosed is a post card which may be used to submit the required proof of beneficial use.

If you have not fully completed your project, and you have not previously received an extension of time, you may request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, Idaho Code, amended. If you have been prevented from proceeding by a governmental agency or by litigation, more than one extension of time can be granted.

Either the beneficial use post card or a request for an extension of time must be received by this Department on or before the above mentioned date, otherwise, the permit will lapse and be of no further force or effect within 60 days.

Sincerely,

RITA FLECK
Sr. Secretary
