Champion Home Builders Co.

Weiser, Idaho 83672

Gentlemen:

One of the conditions of approval of your water Permit No. ~~63~~⁷-7124, ~~63~~⁷-7714 (see last page of your approved permit) was that evidence of the extent of development be submitted as proof of application of water to beneficial use to this office on or before February 1, 1978. Enclosed is an affidavit form which must be used to submit the required proof of beneficial use.

If you have not fully completed your project, and you have not previously received an extension of time, you may request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, Idaho Code, amended. If you have been prevented from proceeding by a governmental agency or by litigation, more than one extension of time can be granted.

Either the beneficial use affidavit or a request for an extension of time must be received by this Department on or before the above mentioned date, otherwise the permit will lapse and be of no further force or effect.

Weiser, ID 83672

Dear Mr. Graves:

Enclosed are two Proof of Beneficial Use forms for well permits 67-7125 and 67-7126. Please review them for corrections and return them with proper notarized signature. Whoever signs must have Power of Attorney for the corporation, or be an elected official. After these forms have been returned ~~to this~~ to this office, I can complete the field exam reports and initiate licensing.

Champion Home Builders have one other unlicensed permit on file for a domestic well, permit No. 67-7124. The Proof of Beneficial Use is not due until 1978, so I suggest that you do not file prrof at this time, but retain the permit for future domestic development.

There was another permit for fire protection (No. 67-7108) that lapsed because proof was not filed. You should therefore reapply for your fire protection well. Enclosed is a partially completed application form based on information from the lapsed permit. Please review this form for corrections and return it with proper signature and fee. The correct fee for this new application is \$35.00.

If we can be of any further assistance, do not hesitate to contact this office.

Sincerely,

M. CLAYNE BARRON
