Dear Mr. Foit:

We have received the above referenced applications for permits to appropriate public waters of the State of Idaho and would make the following comments:

Application No. 65-7276 as submitted by the Knights of Pythias will be forwarded to the local Valley County Environmentalist for his comments since the supply will probably serve less than 100 people.

Application No. 37-7141 as submitted by Earl E. Chambers, did not give a proposed name of the condominium complex, and I could find no information in our files under his name, therefore, we would recommend that a hold be placed upon this application until engineering plans and specifications have been submitted, reviewed and approved by the Department of Health.

Application No. 63-7582 as submitted by Richard L. Evans is for a well which is to serve the Evans Acres No. 2 Subdivision. We have no record of this particular water system, and, therefore, would recommend that a hold be placed on the application until such time that engineering plans and specifications for the water system are reviewed and approved by the Department of Health.

67 7103

May 24, 1972

Application No. 63-7588 as submitted by E. C. Barnard and Bernard F. Gratton is for a water system which will probably serve less than 100 population, therefore, we will forward this application to the Southwestern District Health Department for their comments.

Dear Mr. Toomey:

We are in receipt of your Application for Permit and the proper filing fee, submitted in the form of a check #92-293, in the amount of \$10.00. We wish to advise you, however, that in reviewing the application, we find a discrepancy as to your description of the point of diversion and place of use.

Item #3a and item #8a,1, each indicate the point of diversion and place of use as being in the NE $\frac{1}{4}$ NE $\frac{1}{4}$ of Section 15. However, your map as submitted on page three of the application, shows the point of diversion as being located within the NW $\frac{1}{4}$ NW $\frac{1}{4}$ of the same Section. Please clarify this item as soon as possible, so that we may continue with the processing of this application.

If you should have any questions in reference to this matter, please feel free to contact this Department.

Very truly yours,
