Dear Mr. Beckman:

After we talked today it occurred to me that a change cannot be made on the claim unless your initials are beside it since it is a notarized affidavit.

So I am returning the claim to you so that you can initial the change on Item No. 1 from 1881 to 1969. Once you have initialled this change, just return the claim to us and final processing can continue.

I hope this has not caused too much inconvenience.

Dear Ladies and Gentlemen:

We are now reviewing your claim submitted during the June, 1983 mandatory claims filing program and need more information before processing can begin.

In Item No. 1, priority date, you indicate the use dates back to when the Webb ditch was built. The decreed water rights on the Webb ditch have a priority date of 1881. The Department cannot recommend a priority date and it should be a date that can be substantiated. We are returning your claim to you for this portion of the claim to be completed. The priority date is the date that the water was first put to beneficial use for the purpose you are claiming.

Please initial this change and return the claim to our office within 60 days to preserve the June 30, 1983 deadline filing fee of \$30. If you have any questions, don't hesitate to contact us.
