Thank you for your informative letter of June 21, 1983.

no one around here seems to know very much about these forms, or how to instruct people to file.

As this property is a part of the original Fisher family lands we are not sure if water rights were ever filed. and as their hand dug well has since caved in and unoperable we had a new well dug by Hells Canyon irrigation co. So we still don't know if an application for Permit, or a claim to a Water Right is applicable so will include both, and you can use whichever ever is required.

2.

In trying to get you on the
telephone, you were busy and
we were put thru to a Mr
Dunn who said to amend
the amount to 0.03 CFS and
to use priority date of January
1, 1900. and include a check
for \$30.00 along with the claim to water^{right}
So this is included.

again thank you for your
kind help.

Sincerely yours
James L Edmondson

Dear Mr. & Mrs. Edmondson:

We have received the claim to a water right and application for permit submitted for you wells. However, before we can process these forms more information and some clarification is needed.

The Claim to a Water Right must have the priority date on item #1 listed down to the year before it can be accepted. The amount of water must also be completed. Normally, for one acre of irrigation the Department recommends $1\frac{1}{2}$ " of water or 0.03 cubic feet per second. All else appears to be in order on this form except for the filing fee. You have sent a check for \$45.00. However, the fee for the claim is \$30.00 and the fee for the application is based on how much water is being filed on. It appears that the application for permit has been completed on the same well as the claim. If this is the case and the well was used prior to March 25, 1963, then only the claim needs to be filed with the \$30.00 fee.

However, if the water use was begun after March 25, 1963, from this well then the application for permit form needs to be filed also with a \$30.00 filing fee. The 0.03 cfs also would apply to the application, rather than 100 cfs as is now applied for.

We are returning your forms along with the check. Please decide what form you need to file and return it to us prior to June 30th along with a \$30.00 filing fee. If you have any questions, do not hesitate to contact us.

Sincerely,

JAN GROVER
Senior Water Resource Agent
