Re: Claims No. 67-4559 & 67-4562

Dear Mr. David Shaw:

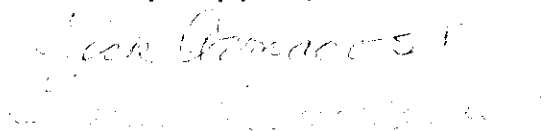

We have been in residence on our property for seven years. We have used the waste water every year to irrigate our fields and for livestock.

To the best of our knowledge the waste water that flows through the two natural drainages that run through our property, has been used on this place for years.

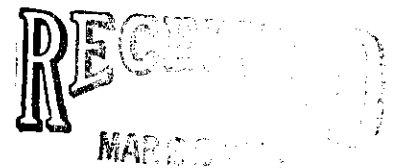

To the best of our knowledge the information above is true and correct.

Thank you for your advice and prompt attention to our needs.

Very truly yours,
