RE: Claim to Water Right No. 67-4491

Don & Pat Mitchell
Rt. 1, Box 254
Weiser, ID 83672

Dear Water Right Holders:

Our office acknowledges receipt of Assignment of the above referenced water right. However, in reviewing the file I find that the water right is a Claim.

In Idaho, a claimed water right is considered real property and is acquired when the property to which it is appurtenant to is purchased. Proof of owning the land is proof of owning the water right claim.

Therefore, I have put the Assignment into the file for future reference only and no other action will be taken. I have also enclosed a copy of the Claim for your records.

If you have any questions please feel free to contact our office.

Sincerely,

KAY WALKER

Dear Sir or Madam,

On April 25 I sent a check for \$30.00 to file
a claim on ground water to irrigate one acre and
for domestic and stock use. The check was cashed
April 29th by your Department. The necessary
advertising under # 67-4491 in the Weiser
Signal was dated May 26, 1983 and June 2, 1983,
yet we have not received the papers for the
underground water & wonder if they have been
lost.

Your cooperation in straightening out the above
will be greatly appreciated. Thank you.
