Dear Friends

I hope I have these forms filled out correctly. I took them to the Court House and had Lynn Wiggins, our county assessor to Washington County, help me finish filling in the information.

I think I made a mistake by printing my name when I started to fill in the information, so I also signed my name in writing. If I don't have them right, please return them to me, with explanation of what I have done wrong, and I will gladly correct them and return them to you.

Thank you so much
